

# MAUI BROWNFIELDS REDEVELOPMENT STAKEHOLDERS

Rob Parsons, Environmental Coordinator  
Office of Economic Development

## County of Maui past efforts with Brownfields program

- ▶ Brownfields liaison, 2003-2006
- ▶ Attended annual convention (Denver, Portland)
- ▶ Met State partners (DOH, Office of Planning, Counties)
- ▶ Prepared and evaluated potential Inventory of Potential Sites
- ▶ Handed over "liaison" position to Finance

## 2018: New Possibilities, New/Old Landscape

- ▶ Better understanding of grants management through OED
- ▶ Renewed partnership with State (through Brownfields Workshop outreach!)
- ▶ Closure of HC&S plantation brings many new possibilities

## Pu'unēnē Sugar Mill

## Pā'ia Sugar Mill

## Coal-fired Electrical Generation

## To be retired in 2022

## Community-driven environmental concerns/ input

- ▶ County receives dozens of County-wide concerns each year
- ▶ Concerns are directed to appropriate agency (DOH, USACE, DPW, etc)
- ▶ Great potential for adding sites to new Inventory of Potential Sites

## Central Kihei

## Potentially Contaminated Site

## Potentially Contaminated Site
