

PROPANE SAFETY REMINDERS

UPRIGHT

Always store and secure/transport tank(s) in an upright position.

UNSAFE WAY TO TRANSPORT

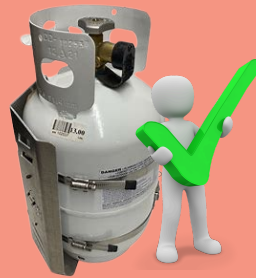

TRANSPORT

Do not transport more than four (4) propane cylinders in an enclosed vehicle or more than 90 pounds total, with no one container greater than 45 pounds.

SECURE TANK

Ensure tank is properly secured and does not move around.

NO SMOKING

Do not leave cylinders inside vehicle unattended.

**PROPER DISPOSAL/RECYCLE

PROPANE DISPOSAL RESOURCES

FOR RESIDENTS ONLY

PROPER DISPOSAL/RECYCLE

Propane refilling or authorized cylinder exchange facilities will take your expired or damaged tanks and give you new ones in exchange.

DO NOT THROW THEM IN THE TRASH!

HONOLULU COUNTY

- Propane tanks can be dropped off at any City Convenience Centers and at two transfer station locations: Kapa'a-Kailua & Kawaihoa-Haleiwa
 - Drop off (free for residents - 5 gallon, 20 gallon & 16 oz. cylinders only)
 - Scan code for statewide drop off/recycling locations

Visit Honolulu County Refuse and Recycling Webpage for statewide information.

MAUI COUNTY

- Propane tanks can be dropped off at Hammerhead Metals Recycling & Central Maui Baseyard (fees may apply)
 - County Recycling Hotline (808) 270-7880 for more information
- Moloka'i Metals Facility (at the Nā'iwa Landfill)
 - Free for residents
- Lāna'i
 - Contact Abandoned Vehicles & Metal Office (808) 270-6102

KAUA'I COUNTY

- Propane tanks can be disposed of at Hanalei, Kapa'a, Līhu'e, Kawaihoa and Hanapēpē Transfer Stations
 - Free for residents
 - Propane tanks (up to 10 gallons or 40 lbs) may be empty, full, or partially full and with valves intact. For larger tanks greater than 10 gallons there is a fee.
- Drop off tanks without valves intact (fees may apply):
 - Puhi Metals (808) 245-6919

HAWAII COUNTY

- Visit County of Hawai'i Department of Environmental Mangement Solid Waste Division & Recycling Section website for information
