♦ Respondent asked of all household members - Have you ever been told by a medical professional that you have diabetes?

¹ All household members

² Sample numbers provisionally weighted and adjusted for total population of Hawai`i with diabetes (total numbers are adjusted as households without telephones, Ni`ihau, group quarters, and homeless are not represented, see HHS Procedure Manual 2004)

³ Row and/or column totals may not sum to totals listed due to rounding

* Number of cases in sample denominator (<50) too small for reliability and not presented

-- No reported cases

Sample size 1,221 out of 19,699 people

For Total Number of Persons By Age, Gender, and Ethnicity please refer to Table 4.
