† Respondent asked of all household members - Have you ever been told by a medical professional that you have had a stroke?

¹ All household members

² Sample numbers provisionally weighted and adjusted for total population of Hawai`i that have had a stroke (total numbers are adjusted as households without telephones, Ni`ihau, group quarters, and homeless are not represented, see HHS Procedure Manual 2010)

³ Row and/or column totals may not sum to totals listed due to rounding

* Number of cases in sample numerator (<10) or sample denominator (<50) too small for reliability, or if adjacent cells can be calculated, the numbers are not presented

-- No reported cases

Sample size 433 out of 16,208
