

Kealahou Services

A C A M H D P R O G R A M

ABOUT

The Kealahou Services Program provides mental health support services to youth between 11 and 18 years old who identify as girls and have experienced trauma. This program also helps adolescents and young adults develop the coping skills to deal with their distressing experiences positively. Participation in the program is free and voluntary.

CONTACT

For more information about the Kealahou Services Program, please contact Ruth LaMer, Program Director.
