Note: MHP = Manufactured Hemp Product as defined.

Only allowable forms of MHP that meet the definition and are compliant with applicable law (328G, HRS) and interim rules (11-37, HAR) are allowed to be sold, held, offered, or distributed for sale in Hawaii.

This document is provided to industry for guidance and is not intended as a substitute for label and package requirements found in interim rules (11-37, HAR) or law (328G, HRS). It is the responsibility of the hemp processor and retailer/distributor selling a MHP to consumers in Hawaii that the product is compliant. Readers should refer to the official version of the interim rule 11-37, HAR, and 328G, HRS, for complete and accurate information and consult their own legal counsel for specific legal advice.
