

# Hawai‘i Medical Cannabis CME/CE Course Bundle

---

The Hawai‘i Department of Health, Office of Medical Cannabis Control and Regulation has partnered with TheAnswerPage.com to offer access to the Hawai‘i Medical Cannabis Course Bundle (5 CME/CE credits) which includes two fully accredited CME/CE courses:

- A Nationally Approved CME/CE Medical Marijuana Course V2 – Covers science, safety, and clinical guidance on medical cannabis
- CBD in Clinical Care V2 – A comprehensive look at the therapeutic use of cannabidiol

The Hawai‘i Medical Cannabis Course Bundle also includes a module on Hawai‘i’s medical cannabis rules and regulations.

Whether you’re new to cannabinoid therapeutics or want to enhance your current practice, these courses offer practical tools and current data.

Hawaii-based clinicians are eligible for a 20% discount and can enroll in the course for \$151. See flyer for instructions to access the course.
