

MyHawaii SSO Login Instructions

For logging into MedMJ and MyPVL accounts:

- Click “Go to SSO login”

Log in to begin

If you don't have an *eHawaii.gov* or *Hawaii Single Sign On (SSO)* account, you can sign up on the SSO login page. After your initial login, you may need to enter additional information.

Why the change?

The changes reflect eHawaii Account services alignment with the state's move to a SSO (single sign on) login.

- Sign in with your email address and enter your password

Your web service portal to interact with Hawaii government online

The screenshot shows a login page with the Hawaii state seal at the top. The main heading is "Enter your email address". Below the heading is a note: "If this is your first time using the service with the email address you enter, you will be prompted to create a new account." There are two options for login: a "Sign in with Google" button and a text input field labeled "Email Address". Below the input field is a "Next" button.

- The 2-step verification process will ask you to select a multi-factor authentication method
 - Enter your mobile (cell phone) number
 - Select “Text message/Voice call”

- Select “text message” for a more convenient user experience
- Check your phone for a text message with the 6-digit verification code

- If you select “voice call,” you will receive a call with your verification code
- Be prepared to type the code in
