HAWAII DEPARTMENT OF HEALTH CITES BEVERAGE DISTRIBUTORS FOR HI-5 VIOLATIONS

HONOLULU – The Hawaii State Department of Health (DOH) has issued Notices of Violation and Order against seven local beverage distributors for failure to comply with the State's Deposit Beverage Container law.

Hawaii Revised Statutes §342G-105 requires beverage distributors to submit semi-annual or monthly reports and payments to DOH no later than the 15th calendar day of the month following the end of the payment period.

Delinquent semi-annual reporting companies cited:

- Jugo Life, located at 2463 South King Street in Moiliili
- Monsarrat Juice Co., dba Shaka Pressed Juice, at 3118 Monsarrat Avenue near Diamond Head
- Dragononi Inc., dba Hawaiianola, at 89-1368 Mamalahoa Highway on Hawaii Island
- Penta Water Company, LLC in Colton, California
- Pressed Juicery Hawaii, LLC at 1450 Ala Moana Boulevard #1375

Delinquent monthly reporting companies cited:

- Hawaiian Springs, LLC at 3375 Koapaka Street in Honolulu.
- Eurpac Service, Inc. in Norwalk, Connecticut

Companies were assessed with administrative penalty fees ranging between \$400 and \$3,240. They were also provided an opportunity to request a hearing to contest the alleged facts and

penalty. To date, Shaka Pressed Juice and Eurpac Sevice, Inc., have complied with the enforcement order. The companies submitted a corrective action plan and paid the penalty in full.

“Distributors are reminded to comply with all upcoming deadlines and requirements to avoid penalty fees,” states Deposit Beverage Container Program Manager Darren Park. “Late distributor payments and reports negatively affect the accurate calculations of redemptions rates and impact the DBC funds used to recycle redeemed containers.”
