**Hawai'i Department of Health extends public
comment period to July 9 for NPDES permit for
Thirty Meter Telescope construction**

HONOLULU — The Hawai'i Department of Health (DOH) has extended the public comment period for the National Pollutant Discharge Elimination System (NPDES) permit renewal for the Thirty Meter Telescope International Observatory. On June 25, the DOH was unable to receive public comment through email due to technical issues. The email address has been restored and the comment period extended. Written public comments will be received by DOH until July 9, 2019 at 4:30 p.m. and may be sent by email to: cleanwaterbranch@doh.hawaii.gov or delivered to:

State of Hawai'i
Clean Water Branch
2827 Waimano Home Road #225
Pearl City, HI 96782

The purpose of this NPDES permit is to provide conditions for safely managing storm water during construction activity. More information on the NPDES permit renewal is available at DOH's Clean Water Branch website at health.hawaii.gov/cwb/clean-water-branch-home-page/public-notices-and-updates/
