**Department of Public Safety:  
Mass Inmate Testing Continues**

A total of 66 pending mass testing results for Waiawa Correctional Facility (WCF) inmates found eight (8) positive and 58 negative cases. In addition to the 95 positive cases previously reported, there are now a total of 103 positive cases in medical isolation at WCF. The remainder of the inmate population has been placed in quarantine. Test results for 47 WCF staff members found seven (7) were positive and 40 were negative. The DOH is conducting contact tracing. All WCF staff members are in full personal protective equipment (PPE) and the warden halted all inmate movement last Wednesday to prevent further transmission within the facility and to the other facilities.

DOH testing of O’ahu Community Correctional Center (OCCC) inmates and staff continues. Of the 129 OCCC inmate test results received over the weekend, seven (7) were positive, 121 were negative and one (1) was inconclusive. There are no OCCC inmates in the hospital. All 46 OCCC staff test results were negative.

Additionally, the surge testing of Hawai’i inmates at the Saguaro Correctional Center in Eloy, AZ continues. The inmates with first-round negative test results are undergoing re-testing. The current test results of the Hawai’i inmate population at Saguaro are broken down as follows:

Inmates who tested negative will remain in a precautionary quarantine while they undergo repeat surge testing. There are currently 1,079 inmates housed at Saguaro. PSD has established an information hotline with recorded updates on the Saguaro testing at: 808-587-1421. For more information on PSD’s planning and response efforts to COVID-19 go to: <http://dps.hawaii.gov/blog/2020/03/17/coronavirus-covid-19-information-and-resources/>.

## **Department of Land and Natural Resources:**

### **Sunday Night Gatherings at Mākena State Park Challenge Managers, Law Enforcement**

A team of eight officers from DLNR's Division of Conservation and Resources Enforcement conducted a law enforcement operation over the weekend at Little Beach in Mākena State Park on Maui. The beach has been the site of large Sunday night parties for years, and this weekend an estimated 200-225 people gathered there. Officers cited one woman for having alcohol in a state park and warned others about COVID-19 rules. Many beachgoers also neglected to wear masks and physically distance. DOCARE Chief Jason Redulla said, "These are the very types of attitudes and behaviors that could well set us back. We know from all of the expert health and safety advice, that large gatherings are potential super-spreaders. We can't dedicate our entire Maui DOCARE team to controlling the Sunday night parties at Mākena, as this diverts our resources from other places and issues that need attention. All we can ask and hope for, is for everyone to follow the rules and laws, and especially now -- to be respectful of others by practicing personal responsibility." To view more:

## **Hawai'i Tourism Authority:**

### **Hawai'i Hotels Performance Report for October 2020**

Hawai'i hotels across the state continued to report substantially lower revenue per available room (RevPAR), average daily rate (ADR), and occupancy last month compared to October 2019 due to the COVID-19 pandemic. According to HTA, statewide RevPAR in October 2020 decreased to \$34 (-83.1%), ADR fell to \$174 (-31.8%), and occupancy declined to 19.7% (-59.8 percentage points). To view more:

### **Hawai'i House of Representatives:**

#### **Informational Briefing on Incorporating Sustainability Into the COVID-19 Response**

There will be an informational briefing tomorrow, at 10 a.m., for lawmakers to receive an update on efforts to incorporate sustainability into Hawai'i's COVID-19 response. The briefing will also include an update about Hawai'i Energy's pandemic response efforts, such as how the public benefits fee has been used to help families increase efficiency and save on electric bills. The informational briefing will be livestreamed at:

<https://www.facebook.com/hawaiihouseofreps/>

# SAFE TRAVELS HAWAI'I QUICK FACTS

**Domestic  
Trans-Pacific Travel**

↓

**14-Day Quarantine**

**To Bypass Quarantine:**

- Show proof of negative test result upon arrival or remain in quarantine until received
- Must take a nucleic acid amplification (NAAT) pre-travel test within 72 hours from the final leg of departure. **The State of Hawai'i will accept test results ONLY from TRUSTED TESTING AND TRAVEL PARTNERS.**
- Applies to all passengers ages 5 and over; travelers pay for test
- Must complete Safe Travels Hawai'i online form prior to arrival
- Or other exemption provided by the state
- Travelers arriving in Hawai'i with pending test results will remain in quarantine until negative test results uploaded to the Safe Travels Hawai'i account and Safe Travels Hawai'i issues confirmation by email that traveler is removed from quarantine

**Second Test After Arrival**

<p><small>City and County of Honolulu</small> Not required</p>	<p><small>County of Hawai'i</small> Required at airport up to 25% without quarantine; free</p>	<p><small>Maui County</small> Voluntary 72 hours after arrival; free</p>	<p><small>Kaua'i County</small> Voluntary 72 hours after arrival; free</p>
