Department of Public Safety:
Statewide Inmate Testing Continues

COVID-19 testing is continuously being conducted statewide at all facilities. The Maui Community Correctional Center (MCCC) reports 33 inmate test results. Of that number, one (1) was positive and 32 were negative. The total active positive inmate case count is 14. No MCCC inmates have required hospitalization due to COVID-19. Although all other facility inmate populations are clear of the virus, mass testing continues with DOH assistance. The O’ahu Community Correctional Center reported nine (9) negative inmate results.
