**DOH Statement on Navy's Dismissal of Red Hill Appeals**

HONOLULU – Deputy Director of Environmental Health Kathleen Ho released the following statement on the Navy's dismissal of its appeals of the Hawai'i Department of Health Emergency Order on Red Hill:

"The Navy dropping its appeals is a step forward in protecting the people of Hawai'i and our environment. While today's announcement is good news, the work continues. DOH will continue to act expeditiously and proactively to oversee the safe defueling and decommissioning of Red Hill and restoration of the aquifer."
