**Department of Health warns of frozen fruit products due to potential
Listeria monocytogenes contamination**

HONOLULU, HI – The Hawai'i State Department of Health (DOH) Food and Drug Branch is warning residents of a voluntary recall by Sunrise Growers Inc., of specific frozen fruit products sold in the state, because they may be contaminated with *Listeria monocytogenes*.

Listeria monocytogenes can cause serious and sometimes fatal infections in young children, frail or elderly people, and others with weakened immune systems. *Listeria monocytogenes* infection can cause miscarriages and stillbirths among pregnant women. Healthy individuals may suffer only short-term symptoms such as high fever, severe headache, stiffness, nausea, abdominal pain, and/or diarrhea. Consumers concerned about a potential illness should contact a physician.
