Department of Health issues voluntary recall warning for several Mid America Pet Food products due to potential risk of *Salmonella* contamination

HONOLULU – The Hawai'i State Department of Health (DOH) Food and Drug Branch (FDB) is alerting residents to a voluntary recall by Mid America Pet Food for products distributed to retailers in the state, including Sam's Club, Tractor Supply Co., and Del's Feed and Farm Supply. The products are being recalled because they may be contaminated with *Salmonella*. Brands recalled by Mid America Pet Food include Victor Super Premium Dog Foods, Wayne Feeds Dog Food, Eagle Mountain Pet Food, and some Member's Mark varieties with best-by-dates before October 31, 2024.

Salmonella can affect animals eating contaminated products, and there is a risk to humans, especially if they have not thoroughly washed their hands after handling contaminated products.

Healthy people infected with *Salmonella* should monitor themselves for the following symptoms: nausea, vomiting, diarrhea or bloody diarrhea, abdominal cramping, and/or fever. *Salmonella* may result in more serious but rare ailments such as arterial infections, endocarditis, arthritis, muscle pain, eye irritation, and urinary tract symptoms. Children, the elderly, and individuals with compromised immune symptoms may be at greater risk of *Salmonella* infection. Please contact your healthcare provider immediately if you are exhibiting symptoms after having contact with the recalled product.

Pets with *Salmonella* infections may be lethargic and have diarrhea or bloody diarrhea, fever, and/or vomiting. Some pets may only exhibit decreased appetite, fever, and abdominal pain. Infected but otherwise healthy pets can be carriers and infect other animals or humans. If your pet has consumed the recalled product and has these symptoms, please contact your veterinarian.

The FDB advises consumers to immediately seal and discard any recalled product on hand and do not feed the recalled product to pets or any other animals. Wash and sanitize all pet food bowls, cups, serving utensils, and storage containers. Please ensure that you wash and sanitize your hands after handling recalled food or any utensils that come in contact with recalled food. Per

the U.S. Food and Drug Administration, as of November 1, seven people have reported *Salmonella* infections nationally.

The recalled product descriptions and relevant information are listed below:
