HONOLULU — The Hawai'i State Department of Health (DOH), in partnership with the Department of Hawaiian Home Lands (DHHL), Department of Land and Natural Resources (DLNR), Department of Transportation (DOT) and the National Park Service (NPS), is hosting a Kalaupapa Informational Briefing on October 5, 2024 at 10 a.m. at Kaunakakai Elementary School on Moloka'i. Members of the public with an interest in Kalaupapa are encouraged to attend.

The agencies recognize that there are questions about the complex history and jurisdiction of Kalaupapa and what management tasks are overseen by each agency. At this meeting, representatives from DOH, DHHL, DLNR, DOT and NPS will share their current roles and responsibilities in Kalaupapa and Kalawao County and how they are working together to support the patients and steward this special place.
