HONOLULU — The Hawai'i Department of Health (DOH) Food and Drug Branch (FDB) is alerting residents to a recall issued by Danone U.S. for its So Delicious Dairy Free® Salted Caramel Cluster Non-Dairy Frozen Dessert pints. The recall was issued because of the potential presence of foreign materials, such as small stones and other hard objects, within the cashew inclusions.

The recalled products were distributed nationwide, including retailers like Target, Whole Foods and Walmart in Hawai'i. FDB is working with the local stores to ensure that the recalled product is no longer available for sale. The recalled product information is as follows:

So Delicious Dairy Free® Salted Caramel Cluster Non-Dairy Frozen Dessert pints	136603	744473476138	Before 08 Aug 2027

Hard or sharp foreign objects in food may cause traumatic injuries including laceration and perforation of tissues of the mouth, tongue, throat, stomach and intestine, as well as damage to the teeth and gums. There have been no reported cases of injury or illness in Hawai'i to date.

The FDB advises consumers to verify that they possess the recalled product and stop using it immediately. Product information can be found printed on the bottom of the product container.
