26-051

FOR IMMEDIATE RELEASE

May 7, 2026

'AIEA, Hawai'i — The Hawai'i Department of Health (DOH) Office of Health Care Assurance (OHCA) has issued an order against Loreen Troxel following enforcement action for serious and substantive violations of Hawai'i Administrative Rules Chapter 11-800.

DOH, through its contractor, Community Ties of America (CTA), confirmed that during one incident, Troxel left Community Care Foster Family Home (CCFFH) clients unattended or without a certified caregiver.

Troxel has been assessed a \$500 administrative penalty.

Troxel has 20 days from receipt of the order to submit a written request for a hearing. If no request is submitted within that time, the order will become final and enforceable.

The DOH Office of Health Care Assurance State Licensing Section, through CTA, certifies and regulates Community Care Foster Family Homes to help ensure the health, safety and welfare of individuals residing in health care facilities.
