NEUROTRAUMA ADVISORY BOARD (NTAB) MEETING MINUTES

June 26, 2015

Present: Lyna Burian, Ian Mattoch, Rita Manriquez, Scott Sagum, Stella Wong,

Valerie Yamada

Excused: Angie Enoka, Milton Takara

Others: Theresse Argoud, Injury Prevention and Control Section (IPCS); Dylan

Arrieta, Pacific Basin Rehabilitation Research and Training Center (PBRRTC); Nicholas Hines (IPCS); Violet Horvath, (PBRRTC); Matthew Koenig, M.D. Queens's Medical Center Neuroscience; Nathan Murata, University of Hawaii Kinesiology and Rehabilitation Science; Tina Robertson, Queen's Medical Center Neuroscience; Bridget Velasco.

(IPCS)

DOH Staff: Curtis Inouye. Wendie Lino

I. Call to Order – meeting called to order at 1:40 p.m. Quorum present.

- II. Approval of Minutes from the April 24, 2015 meeting Board Member Scott Sagum made a motion to accept the minutes as written. Board Member Ian Mattoch seconded that motion. All Board Members present voted in favor of minutes being accepted as written. No questions.
- III. **Review of Agenda** agenda reviewed. No changes.

IV. New Business

- A. University of Hawaii Concussion Awareness Management Program Contract Nathan Murata, Professor and Chair of the Kinesiology and Rehabilitation Science Department at University of Hawaii at Manoa provided an update on the Hawaii Concussion Awareness Management Program (HCAMP). The Neurotrauma Supports and Dr. Murata are in the process of completing a proposed one year contract extension of the HCAMP program to continue with the baseline testing of high school athletes and to address the sustainability of HCAMP and baseline testing for high school athletes for future years. Per Dr. Murata, HCAMP will continue with the education and awareness of concussions with community youth sports organizations as well as community events during the extended contract year. Per Dr. Murata, the HCAMP website will continue to provide education and awareness on sports concussions through University of Hawaii's Kinesiology and Rehabilitation Science Department. Dr. Murata also mentioned that he will be convening a working group per Senate Concurrent Resolution 75, to develop and implementation strategy to require youth sports organizations to initiate and implement concussion management plans.
- B. Neurotrauma Advisory Board Membership Per Section 321H-3, Hawaii Revised Statutes, the eleven member Neurotrauma Advisory Board must consist of one member representing a trauma center that provide services for neurotrauma survivors. That position will be filled by Doris Warner, who was selected to serve as Director of Queen's Medical Center's Trauma and Outreach program. She was recommended by Sally Jones, Director of Queen's Medical Center Trauma Department who retired in May, 2015. Neurotrauma Supports is continuing its search for a spinal cord injury survivor or family member and a member representing a private sector business that provides services to individuals with a neurotrauma injury.

The NTAB will continue discussions on a chairperson for the NTAB. Identified Board Member will be recommended to the Department for consideration and appointment as Chair of the Neurotrauma Advisory Board.

V. Old Business

- A. <u>Hawaii Concussion Awareness and Management Program Update</u> see attached report.
- B. <u>Pacific Basin Rehabilitation Research and Training Center</u> Hawaii Neurotrauma Registry Update. See attached report.

- C. <u>Hawaii Islands Regional Stroke Network Update</u> see attached report.
- D. <u>Neighbor Island Activities</u> Board Member Scott Sagum reported that nearly sixty percent of the surf schools on Kauai have gone through the Surfer's Myelopathy class his team provides. Their next objective is to provide this education on surfer's myelopathy to the lifeguards on Kauai's beaches. Great job and keep up the good work.
- E. <u>DOH Update</u> due to a reorganization, the Neurotrauma Supports program will be moving to another branch under the Developmental Disabilities Division, Community Resources Branch. Ms. Wendie Lino will be the supervisor of Neurotrauma effective 7/1/15. Neurotrauma staff will eventually be relocated from Pearl City to Kaimuki. Curtis Inouye will remain with Neurotrauma.

VI. Announcements

- A. Brain Injury Association of Hawaii
 - 1) Support Group Meetings
 - a. 1st Saturdays, 1-3 p.m., Rehabilitation Hospital of the Pacific, Wo Conference Room #1
 - b. 2nd and 3rd Wednesdays, 6 p.m., Rehabilitation Hospital of the Pacific, Wo Conference Room #1
 - 2) ESPN Sports Festival Department of Health Neurotrauma Supports in partnership with the Rehabilitation Hospital of the Pacific (RHOP) will be participating in the ESPN Sports Festival. The event will be held at the Neal Blaisdell Center on June 27, 2015 from 9:00 a.m. to 4:00 p.m. RHOP and Neurotrauma staff will be educating the public on head injury prevention and will also be providing bike helmet fitting and give away.
 - 3) *Dr. Cifu* noted researcher on TBI will be on Oahu will be presenting on "Treatment of TBI".

Date: 7/12/15

Time: 1:30 p.m. – 4:00 p.m.

Location: UH John A. Burns School of Medicine, Auditorium

Meeting Adjourned at 2:45 p.m.

Hawaiian Islands Regional Stroke Network Update

(Funded by a grant from the Hawaii State Dept. of Health Neurotrauma Fund)

Hub site: The Queen's Medical Center

Current spoke sites:

Current active sites are Molokai General Hospital (activated on 11/8/2011), Wahiawa General Hospital (activated on 6/21/2012), Hilo Medical Center (activated on 8/1/13), The Queen's Medical Center West Oahu (activated on1/12/15) and Kona Community Hospital (activated on 5/27/15. The five spoke site hospitals – ED MDs and nurses, hospitalists, and administration - have been educated on stroke care paths and protocols and in-serviced on use of the technology.

Installation of Hawaii Stroke Network has been completed at Maui Memorial Medical Center and credentialing of the telestroke MDs is in progress.

Credentialing of the telestroke MDs has been completed. North Hawaii Community and installation of equipment is pending.

• 10 patient did not receive t-PA but transferred to QMC for further treatment such as endovascular reperfusion, closer monitoring and further evaluation.

- 44 patients remained at spoke site since they were not tPA candidates and did not require a higher level of care. These patients were diagnosed with either mild stroke, completed stroke, complex migraine, old stroke, ICH, fatal stroke or with transient symptoms.
- 11 patients at HMC who received t-PA remained at site, 2 patient from QMC
 West transferred to Kaiser and 1 patient from Wahiawa General remained at site due to lack of available bed.
- Telemedicine encounters require 35- 60 minutes of direct critical care time

Community Education

- QMC West O'ahu Community Health Fair- May 17, 2014, educated 1000 people on stroke signs and symptoms and telestroke network.
- Public health campaign 'Spot a Stroke' was a joint effort between DOH, QMC, and AHA that placed stroke education signs on every Oahu bus from May-September of this year. This campaign resulted in an estimated 14 million impressions on Oahu bus riders and was paid from our Neurotrauma Fund grant and the placement fee was donated by Ad Walls.
- Dr Koenig filmed a promo with the Pacific Basin Telehealth Resource Center regarding the telestroke project. To view the video: http://vimeo.com/102377242
- 15 Craigside Place July 22, 2013, educated 100 seniors on "Stroke: What you should know."
- Waipio Senior Fair June 21, 2013, Hawaii Okinawan Center, partnered with Wahiawa General Hospital and Genentech to conduct stroke risk assessments with 240 people and educate on stroke signs and symptoms and telestroke network.
- QMC May 29, 2013, educated 150 medical center staff and guests on the stroke chain of survival (i.e. stroke risk factors, stroke signs and symptoms, acute stroke treatment and the telestroke network).
- Hawaii Dental Services May 16, 2013, educated 40 worksite staff on "Heart Disease and Stroke: What women should know."
- QMC April 24, 2013, educated 15 volunteers on "Stroke: What you should know."
- Moanalua Middle School Health and Safety Fair February 15, 2013, educated over 75 middle schoolers on signs and symptoms of stroke.

 Wahiawa Community Health Fair – October 27, 2012, educated over 300 in the Wahiawa community about stroke and signs and symptoms and introduced them to Hawaiian Islands Regional Stroke Network Camera System.

• Article in Star-Advertiser on 10/18/12.

Hawai'i Neurotrauma Registry Project (HNTR) Report For Neurotrauma Advisory Board (NTAB) June 26, 2015 for May 2015 1:30 p.m.—4:00 p.m.

Highlights:

- 1. Contract for Year 3 has been fully executed; new end date is March 20, 2016
- 2. Total of 110 unique participants in the Registry as of May 31, 2015
- 3. Next HNTR Advisory Board meeting is Friday, June 26. The main topic is revising the survey so it can be used as a two-year follow up
- 4. New brochure designed to introduce HNTR to parents of children with neurotrauma injuries
- 5. Continue to work on details of proposed prevocational training for persons with mild traumatic brain injury what the training will include, collaborations with other organizations
- 6. Positive feedback from evaluations of our presentation at the 39th Annual Brain Injury Rehabilitation Conference in Williamsburg, VA in April 2015
- 7. Presentation at 2015 Pacific Rim International Conference on Disability and Diversity was well received (May 2015)
- 8. Lecture by traumatic brain injury expert Dr. David Cifu on Sunday, July 12, 2015, at John A. Burns School of Medicine, 1:30 3:30 p.m., Medical Education Building 315, free and open to the public
- 9. Social media and marketing update

Hawai'i Neurotrauma Registry Update

Information and Refe	erral			
Number of information / referral contacts with individuals	233	20	19	272
Number of information / referrals provided to individuals	400		22	457
Range: 1 – 5 pieces of information / referrals per contact	400	25	32	457

Average: 1.72 pieces of information / referrals per contact				
Volunteers/Train	ings			
Number of volunteer trainings held	14	0	1	15
Number of persons attending trainings (duplicated count includes HNTR volunteers and others)	71	0	1	72
Number of new volunteers recruited to help with HNTR	13	0	1	14

Goal 1: Develop and administer a voluntary NT Registry

Three new persons were added to the Registry in May 2015, for a total of 110 unique individuals. There are 97 complete surveys and 13 that are incomplete. There are more women (n=66) than men (n=44) in the survey. The vast majority (n=95) reside on Oahu, but there are now also 11 in the Registry from Hawaii, 3 from Maui, and 1 from Kauai. Most participants list TBI or some other form of brain injury as their first or second neurotrauma injury. The next most reported injury is, specifically, ischemic stroke (26), followed by hemorrhagic stroke (15), and spinal cord injury (14).

Regarding how participants obtained information about the registry, six heard about it from a table at a public event, six from a newspaper or newsletter, and 19 from presentations. (In terms of presentations, the Pacific Head Injury Support Group, Rehabilitation Hospital of the Pacific, and BIA-Hi were specifically named.) Four heard it on the radio, one from family or friends, three from an article in Generations magazine, and one from the Island Scene article. One person heard about it from a physician/hospital/clinic.

Develop an Advisory Board of Stakeholders

The next meeting is scheduled for Friday, June 26, from 10 a.m. to 12 noon at the PBRRTC office. The meeting will begin with a brief presentation on preliminary statistics and be followed by suggestions on how to change the survey for the two-year follow-up.

Conduct Research on Best Practices and Information Contained in Voluntary Database for Individuals with Neurotrauma Injuries

The presentation at the 2015 PACRIM conference was well-received. The next step is to write a manuscript with the information collected from the states and territories and recommendations based on that information. We received positive feedback from the presentation at the Williamsburg TBI conference.

Develop Project Materials for Recruitment

- HNTR Brochures and inserts directed towards parents and children will soon be sent to IRB for approval.
- The Project Director finalized an introductory letter directed to veterans for distribution by service professionals with the HNTR brochure.

Provide Community Outreach

Completed:

- o May 2, 2015, SPIN Conference at UH Mānoa Campus Center
 - Dispersed 175 packets of information; added 17 organizations to resource listing;
 obtained 46 newsletter sign ups
- May 13, 2015, Children's Mental Health Resource Fair at Windward Mall (National Children's Mental Health Month)
 - Scheduled "Intro to HNTR" presentation for Lanakila Meals on Wheels Group Dining members in Hau
 ☐ula; discussed doing presentations for DOE but was not encouraged to pursue further
- o May 16—17, 2015, New Baby Expo at NBC Exhibition Hall
 - Dispersed 569 packets (double last year's)
- o May 23, 2015, Hui Malama Po⊡o card-making activity at Shriners Hospital for Children
 - Unfortunately, none of the outpatients were residents of Hawai[®]
- o May 30, 2015, Trinity Missionary Baptist Church Health Fair
 - Appreciation to Mary Wilson of BIA—HI for invitation to participate; gained four new resources for persons with NT injuries
- At the request of Dr. Sloan, HNTR brochures and an introductory letter for veterans were sent to QTC Medical Group at Kuakini Medical Center.

Current Month and Future:

- June 1, 2015, "Intro to HNTR" presentation to Japanese Club at Lanakila Multipurpose Senior Center (approximately 30 members)
- June 6, 2015, Pride Parade at Kapi⊡olani Park
- June 19, 2015, Hawai

 i United Okinawa Association Health Fair at Okinawan Cultural
 Center, Waipahu
- June 28, 2015, ESPN Sports Festival at NBC Exhibition Hall
- July 8, 2015, "Intro to HNTR" presentation to Lanakila Group Dining Seniors at Hau⊡ula Civic Center
- July 28, 2015, FHB Maui PrimeTime Wellness Fair
- *August 8, 2015, American Heart Association Heart Walk
- *August 15, 2015, KHON Elderhood Project, Aging in Place Workshops
- August 31, 2015, Stroke Presentation to Japanese Club at Lanakila Multipurpose Senior Center (75 members total)
- *September 2015, FHB Kauai PrimeTime Wellness Fair
- *September 25—27, 2015, Seniors Fair/The Good Life Expo at NBC Exhibition Hall
- *September 27, 2015, Honolulu Century Ride
- *October 4, 2015, Children & Youth Day at State Capitol
- *October 10—11, 2015, Oh Baby! Family Expo at NBC Exhibition Hall
- October 12, 2015, TBI Presentation to Japanese Club at Lanakila Multipurpose Senior Center
- *October 16, 2015, Hawaii island (Kailua-Kona) FHB PrimeTime Wellness Fair

 November 2, 2015, SCI Presentation to Japanese Club at Lanakila Multipurpose Senior Center

Develop a Volunteer Program

Trainings

HNTR conducted a "How to Promote HNTR" training via email successfully, demonstrating another viable method of training delivery for one or two individuals needing the training.

Involve Volunteers in Community Outreach, Recruitment, and Intake
 During May 2015, five volunteers and six natural supports or advocates participated in informing others in the community about the registry and neurotrauma injuries.

Provide and Document Information and Referral

During May 2015, 12 individuals contacted the Project Coordinator; 40 items of information or referral were provided.

Goal 2: Develop and disseminate an effective PSA and social media campaign

Weekly HNTR print ads were published in Ka Leo newsletter, starting April 13, 2015. The last Ka Leo print ad will be published May 4, 2015. The print ads for Ka Leo were geared to students using social media as a means to get in touch with HNTR, e.g., #WhatIsNeurotrauma. Unfortunately, we HNTR received no phone calls and no hashtag gamers from the Ka Leo print flight.

Other social media advertising efforts were considered. HNTR wanted to place an ad on Facebook and boost our page for \$5 a day for one week. The terms and conditions were sent to RCUH for review. However, during the review, RCUH requested we find out whether Facebook would sign an addendum and send an original copy in the mail. The Project Assistant was unable to reach a live person at Facebook and there was no information on how to get in touch with the legal department in the self-help online community section. Per Fiscal Department, HNTR cannot proceed with advertising on Facebook.

- Facebook Page: The Project Assistant added future events to the calendar.
- Twitter Page: The project Assistant posted upcoming HNTR events. So far, there are no responses to the hashtag game #WhatIsNeurotrauma.
- Email Marketing: The next newsletter will be published once the PBRRTC's name change has been officially approved.
- Print Ads:

Future:

^{*}Asterisk indicates events with pending applications.

- i. OHA Newsletter publication dates are pending purchase order approval with tentative date of July 1, 2015.
- ii. Lāna'i Today quotes are pending.
- iii. Bus placards are pending available funds.
- The HNTR Guerilla Flyer will be redesigned in the near future.
- Radio: ②Ohana Broadcasting Company pending approval of Modification 3; radio spots to begin July 20 and end August 16, 2015.
