braininjuryofhawaii@gmail.com
 BJ Wade (808) 221-8330

Catholic Charities
 1822 Keaumoku Street
 Honolulu Hawaii

Keehi Lagoon
 Beach Park
 465 Lagoon Drive
 Honolulu, Hawaii

To facilitate this work I could really use.... TBD

Queens Medical Center - Trauma

FOR ADDITIONAL INFORMATION:
cdonayri@queens.org

- Prep for ACS level 1 Trauma Verification Survey
- Matter of Balance
- Falls presentations
- Blunt injuries webinar

The Challenge of Trauma, the Solution of VRC

The VRC Program is designed to help hospitals evaluate and improve trauma care as well as provide objective, external review of institutional capability and performance. This is accomplished by an on-site review of your hospital by a peer review team. They assess your hospital's commitment, readiness, resources, policies, patient care, performance improvement, and other program features.

Queens Medical Center - Stroke

FOR ADDITIONAL INFORMATION:
ngustie@queens.org

PRESENTATIONS

EMS Explorer Program, Farrington High School (Private)

06.13.24

9:00 am - 11:00 am

OUTREACH

Prince Lot Hula Festival , Frank F. Fasi Civic Center (Public)

07.20.24

9:00 am - 4:00 pm

To facilitate this work I could really use.... A few volunteers. Register online at <https://bit.ly/459QCju>

Kona Brain Injury Support Group
