11-100.1-9 SC#1- First aid completed [REDACTED] & filed in Fiesta ARCH record.

CG will document on a spread sheet (calendar) when all SCs first aid, CPR, PE & TB due dates. CG will check every quarter & remind SCs of expiration date. One month before the inspection date, CG will check to see if all documents are in the CG record.

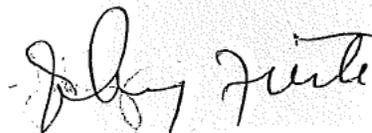

11-100.1-10: Resident #1- primary doctor completed level of care [REDACTED]

11-100.10 Before admitting new resident CG to use admission check list to make sure all required documents in admission are available.

11-100.1-13: Corrected. Made a daily menu substitution. When well balanced daily menu can't be followed, a substitute menu should be available. There needs to be sure there is the 4 food group- meat, vegetables, fruits, and milk.

11-100.1-13 Menu substitutions are documented on a calendar & located on the kitchen cabinet wall in front of the refrigerator. CG will document the food that is substituted.

11.100. 1-15: Corrected for Resident 1 [REDACTED] on medication record and wrote [REDACTED] Carefully looked at physician order and write it on medication record carefully checking the name, dosage, and frequency especially when writing for the next month. Check the order against the medication record each time resident sees the doctor. Corrected for Resident 1 on medication record [REDACTED] [REDACTED] to start writing 1 or 2 next to the time with my initial. In the future if doctor orders 1-2 medication, CG needs to make sure it is documented if given 1 tablet or 2 tablets next to the time given and initial.

11-100. 1-17(a) Corrected for Resident #1. Got order for [REDACTED] by doctor [REDACTED]

When resident is being admitted to another ARCH, physician order form needs to be filled with all resident's medications that are to be continued and transcribed in the medication record.

Also to be checked after all doctor visits.

When admitting a resident from another care home, CG will make sure that all medication bottle labels matches with physician order. If the resident with a medication that is not on the physician order, call the previous CG to see if there is an order. If no order, CG will hold medication & call physician to get a telephone order for resident to use the medication.

11-100.1-17(b) Correction for Resident #1 started [REDACTED] Wrote the response of the [REDACTED] on the progress note. In the future, all PRN Medications needs to be charted on progress note the response of the resident.

On the first day of the month, CG will document on the progress note reviewing the previous month on the medications that are prn of the response of the resident.

11-100. 1-17: Resident #2- discharged date documented on the permanent general register. When a resident is being discharged from the Fiesta ARCH, the date and all that is requested needs to be written on the permanent general register.

SC will document the residents discharge date on the general registry on the same day of the resident discharge from the care home.
