Written Plan of Correction

November 18, 2016

The statements made on this plan of correction are not an admissions and do not constitute an agreement with the alleged deficiencies therin. To remain in compliance with all state regulations, the CCFFH has taken or will take the actions set forth in the following plan of correction. The plan of correction constitutes the CCFFHs allegation of compliance such that all alleged deficiencies cited have been corrected by the date or dates indicated.

41. (b)(8) CG#1, CG#2, CG#3 Blood Borne Pathogen (BBP training will not lapse in the future. The home now has a chart and has scheduled an alarm on the iphone to alert PCG in a sufficient amount of time to renew BBP and all other requirements so as not to lapse in the future.

52. (c)(6) All missing RN CM monthly nursing summary has been obtained and will be maintained in the CCFFH client records. The home will work with RN CM for future documents need for all clients and clients #1.
