☒	§11-100.1-16 Personal care services. (j) Resident(s) manifesting behaviors that may cause injury to self or others shall be assessed by a physician or APRN to determine least restrictive alternatives to physical restraint use, which may be used only in an emergency when necessary to protect the resident from injury to self or to others. If restraint use is determined to be required and ordered by the resident's physician or APRN, the resident and the resident's family, guardian or surrogate, and case manager shall be notified and a written consent obtained. The licensee shall maintain a written policy for restraint use outlining resident assessment processes, indications for use, monitoring and evaluation and training of licensee and substitute care givers. Renewal orders for restraint use shall be obtained on a weekly basis from the resident's physician or APRN based on the assessment, monitoring and evaluation data presented by the primary care giver. **FINDINGS** Resident #1 – Physician order dated 10/11/23 for "full side rails," however the facility does not have a written restraint policy.	**PART 1** **DID YOU CORRECT THE DEFICIENCY?** **USE THIS SPACE TO TELL US HOW YOU CORRECTED THE DEFICIENCY**
