Licensed nurse on duty will follow policy and procedures in place at facility which include receiving said order from physician then proceeding to carry out order on MAR, POS and also charting proper documentation in residents chart. Any new orders given for that day med aide on duty will check at end of shift to ensure new medication order was carried out on MAR. To ensure to avoid further errors licensed RN's will continue to audit MAR/TARS prior to being filed at the end of the month to ensure in place policy and procedures are being followed.</p>	10/04/2023
