

NATIONAL LANGUAGE SERVICE CORPS

Language for the good of all.®

HAWAII' I REGIONAL CHAPTER

Announcement

Do you speak fluently English and another language? Are you a US citizen? Are you looking for ways to use your language skills to make a difference in your state, your nation, the Asia-Pacific region, or your world? If yes, then the National Language Service Corps (NLSC) may be for you.

The NLSC is looking for U.S. citizens who are skilled in English and at least one other language who make themselves available when there is a sudden, short-term need for language skills in support of any U.S. government agency. The program is seeking to expand its membership to those located in Hawaii.

NLSC assignments require a diverse membership to support the needs of existing and potential client agencies.

**Languages are currently in critical need, but not limited to:
Japanese, Mandarin, and Korean.**

Further information about the NLSC and Membership benefit are found in the attached flyer.
