

# WEAR A FACE COVERING

YOU CAN PREVENT THE SPREAD OF COVID-19 BY WEARING A FACE COVERING

Infected person

Non-infected person

**Least** protection

**Better** protection

**\* BEST** protection

**Your face covering protects me, my covering protects you!**

**Remember:**

- COVID-19 carriers may **NOT** have any symptoms.
- Wear a face covering in addition to physical distancing and hand washing.
- Use a face cover that covers your **mouth, nose, and chin**.
- **Wash** your cloth face covering after use.
