## Free Interpreter Help

**Need an interpreter to help communicate with a public service agency?**

No Problem! All government agencies and agencies that receive government financial assistance in providing public service must provide it for **FREE** upon request!

### It's EASY to request!

**CONTACT** the public service agency by phone or in person and **PROVIDE** your language.

An interpreter will be provided to help you.

(To look up an agency's number, please call 2-1-1.)

### Why ask for an interpreter?

This service is FREE!

No need to ask friends or family for help.

An interpreter helps convey an accurate message!

An interpreter will keep your information confidential.

## **“I Speak” Card**

**Hello, my name in English is**

---

**Last Name**

**First Name**

**The language I speak is**

---

**Please find an interpreter for me so we can talk to each other. Thank you!**

You can make your own “I Speak” Card by filling out the blank above. You can show it to the agency staff when having an in-person visit. It helps you request an interpreter.
