## SUBCHAPTER A

## RULES GOVERNING INFORMATIONAL PUBLIC HEARINGS

§11-271-1 Purpose and scope. (a) This subchapter contains the department procedures for issuing, modifying, revoking and reissuing, or terminating all hazardous waste management "permits" other than "emergency permits" (see section 11-270-61) and "permits by rule" (section 11-270-60). The latter kinds of permits are governed by chapter 11-270. Hazardous waste management interim status is not a "permit" and is covered by specific provisions in chapter 11-270. The procedures of this subchapter also apply to denial of a permit for the active life of a hazardous waste management facility or unit under section 11-270-29.

(b) All references in tables and appendices to provisions of the code of federal regulations shall be construed to mean the State rule analogue of the referenced federal regulation (for example, 40 CFR 260.1 shall be construed to mean section 11-260-1 of the Hawaii Administrative Rules). [Eff 6/18/94; comp ] (Auth: HRS §§342J-4, 342J-31, 342J-35) (Imp: 40 C.F.R. §271.1)

§11-271-2 Definitions. In addition to the definitions given in sections 11-270-2 and 11-260-10, the definitions below apply to this subchapter.

"Application" means the EPA standard national forms (see Appendix I of chapter 11-270) for applying for a permit. Application also includes the information required by the director under sections 11-270-14 through 11-270-29 (contents of Part B of the hazardous waste management permit application).

"Appropriate Act and regulations" means the federal Clean Water Act (CWA); the federal Solid Waste Disposal Act, as amended by the federal Resource Conservation and Recovery Act (RCRA); or the federal Safe Drinking Water Act (SDWA), whichever is applicable; applicable federal regulations promulgated under those statutes; HRS chapter 342J; rules promulgated pursuant to HRS chapter 342J; HRS chapters 340E and 342D and the rules promulgated thereunder.

"Department" means the Hawaii department of health.

"Director" means the director of the department of health or the director's authorized representative.

"Draft permit" means a document prepared under section 11-271-6 indicating the director's tentative decision to issue or deny, modify, revoke and reissue, terminate, or reissue a

§11-271-2

"permit." A notice of intent to terminate a permit and a notice of intent to deny a permit as discussed in section 11-271-5, are types of "draft permits." A denial of a request for modification, revocation and reissuance, or termination, as discussed in section 11-271-5, is not a "draft permit." A "proposed permit" is not a "draft permit."

"Environmental Protection Agency" means the United States Environmental Protection Agency.

"EPA" means the United States Environmental Protection Agency.

"Facility" or "activity" means any "HWM facility" or any other facility or activity (including land or appurtenances thereto) that is subject to regulation under HRS chapter 342J and the rules adopted thereunder.

"Major facility" means any facility or activity classified as such by the Regional Administrator in conjunction with the director.

"Owner" or "operator" means owner or operator of any facility or activity subject to regulation under HRS chapter 342J and the rules adopted thereunder.

"Permit" means an authorization, license, or equivalent control document issued by EPA or the State to implement the requirements of 40 CFR parts 270, 271, and 124 or chapters 11-270 and 11-271. "Permit" includes "permit by rule" (section 11-270-60), and emergency permit (section 11-270-61). Permit does not include hazardous waste management interim status (section 11-270-70), or any permit which has not yet been the subject of final department action, such as a "draft permit" or a "proposed permit."

"Person" means any individual, partnership, firm, joint stock company, association, public or private corporation, federal agency, the State or any of its political subdivisions, any state and any of its political subdivisions, trust, estate, interstate body, or any other legal entity.

"Regional Administrator" means the Regional Administrator of the appropriate Regional Office of the Environmental Protection Agency or the authorized representative of the Regional Administrator.

"Schedule of compliance" means a schedule of remedial measures included in a "permit," including an enforceable sequence of interim requirements (for example, actions, operations, or milestone events) leading to compliance with HRS chapter 342J and the rules promulgated thereunder.

"Site" means the land or water area where any facility or activity is physically located or conducted, including adjacent land used in connection with the facility or activity.

"State" means the State of Hawaii.

§11-271-3 Application for a permit.

- (a)(1) Any person who requires a permit under the hazardous waste management program shall complete, sign, and submit to the director an application for a permit required under section 11-270-1. Applications are not required for hazardous waste management permits by rule (section 11-270-60).
- (2) The director shall not begin the processing of a permit until the applicant has fully complied with the application requirements for that permit. See sections 11-270-10 and 11-270-13.
- (3) Permit applications must comply with the signature and certification requirements of section 11-270-11.
- (b) [Reserved]
- (c) The director shall review for completeness every application for a permit. Each application for a permit submitted by a new hazardous waste management facility should be reviewed for completeness by the director within thirty days of its receipt. Each application for a permit submitted by an existing hazardous waste management facility (both Parts A and B of the application), should be reviewed for completeness within 60 days of receipt. Upon completing the review, the director shall notify the applicant in writing whether the application is complete. If the application is incomplete, the director shall list the information necessary to make the application complete. When the application is for an existing hazardous waste management facility, the director shall specify in the notice of deficiency a date for submitting the necessary information. The director shall notify the applicant that the application is complete upon receiving this information. After the application is completed, the director may request additional information from an applicant but only when necessary to clarify, modify, or supplement previously submitted material. Requests for such additional information will not render an application incomplete.
- (d) If an applicant fails or refuses to correct deficiencies in the application, the permit may be denied and appropriate enforcement actions may be taken under the applicable rules and statutory provisions, including HRS section 342J-7.
- (e) If the director decides that a site visit is necessary for any reason in conjunction with the processing of an application, the director shall notify the applicant and a date shall be scheduled.
- (f) The effective date of an application is the date on which the director notifies the applicant that the application is complete as provided in subsection (c).
- (g) For each application from a major new hazardous waste management facility, the director shall, no later than the effective date of the application, prepare and mail to the applicant a project decision schedule. The schedule shall specify target dates by which the director intends to:

§11-271-3

- (1) Prepare a draft permit;
- (2) Give public notice;
- (3) Complete the public comment period, including any public hearing; and
- (4) Issue a final permit. [Eff 6/18/94; comp  
] (Auth: HRS §§342J-4, 342J-31, 342J-35) (Imp: 40 C.F.R. §124.3)

§11-271-4 [Reserved]

§11-271-5 Modification, revocation and reissuance, or termination of permits. (a) Permits may be modified, revoked and reissued, or terminated either at the request of any interested person (including the permittee) or upon the director's initiative. However, permits may only be modified, revoked and reissued, or terminated for the reasons specified in section 11-270-41 or 11-270-43. All requests shall be in writing and shall contain facts or reasons supporting the request.

(b) If the director decides the request is not justified, the director shall send the requester a brief written response giving a reason for the decision. Denials of requests for modification, revocation and reissuance, or termination are not subject to public notice, comment, or hearings.

(c)(1) If the director tentatively decides to modify or revoke and reissue a permit under section 11-270-41 or subsection 11-270-42(c), the director shall prepare a draft permit under section 11-271-6 incorporating the proposed changes. The director may request additional information and, in the case of a modified permit, may require the submission of an updated application. In the case of revoked and reissued permits, the director shall require the submission of a new application.

(2) In a permit modification under this section, only those conditions to be modified shall be reopened when a new draft permit is prepared. All other aspects of the existing permit shall remain in effect for the duration of the unmodified permit. When a permit is revoked and reissued under this section, the entire permit is reopened just as if the permit had expired and was being reissued. During any revocation and reissuance proceeding the permittee shall comply with all conditions of the existing permit until a new final permit is reissued.

(3) "Classes 1 and 2 modifications" as defined in subsections 11-270-42(a) and (b) are not subject to the requirements of this section.

(d) If the director tentatively decides to terminate a permit under section 11-270-43, the director shall issue a notice

of intent to terminate. A notice of intent to terminate is a type of draft permit which follows the same procedures as any draft permit prepared under section 11-271-6.

(e) All draft permits (including notices of intent to terminate) prepared under this section shall be based on the administrative record as defined in section 11-271-9. [Eff 6/18/94; comp ] (Auth: HRS §§342J-4, 342J-31, 342J-35) (Imp: 40 C.F.R. §124.5)

§11-271-6 Draft permits. (a) Once an application is complete, the director shall tentatively decide whether to prepare a draft permit or to deny the application.

(b) If the director tentatively decides to deny the permit application, the director shall issue a notice of intent to deny. A notice of intent to deny the permit application is a type of draft permit which follows the same procedures as any draft permit prepared under this section. See subsection 11-271-6(e). If the director's final decision (section 11-271-15) is that the tentative decision to deny the permit application was incorrect, the director shall withdraw the notice of intent to deny and proceed to prepare a draft permit under subsection (d) of this section.

(c) [Reserved]

(d) If the director decides to prepare a draft permit, the director shall prepare a draft permit that contains the following information:

- (1) All conditions under sections 11-270-30 and 11-270-32;
- (2) All compliance schedules under section 11-270-33;
- (3) All monitoring requirements under section 11-270-31;  
and
- (4) Standards for treatment, storage, and/or disposal and other permit conditions under section 11-270-30.

(e) All draft permits prepared by the department under this section shall be accompanied by a statement of basis (section 11-271-7) or fact sheet (section 11-271-8), and shall be based on the administrative record (section 11-271-9), publicly noticed (section 11-271-10) and made available for public comment (section 11-271-11). The director shall give notice of opportunity for a public hearing (section 11-271-12), issue a final decision (section 11-271-15) and respond to comments (section 11-271-17). Draft permits shall be accompanied by a fact sheet if required under section 11-271-8. [Eff 6/18/94; comp ] (Auth: HRS §§342J-4, 342J-31, 342J-35) (Imp: 40 C.F.R. §124.6)

§11-271-7 Statement of basis. The department shall prepare a statement of basis for every draft permit for which a fact sheet under section 11-271-8 is not prepared. The statement of

§11-271-7

basis shall briefly describe the derivation of the conditions of the draft permit and the reasons for them or, in the case of notices of intent to deny or terminate, reasons supporting the tentative decision. The statement of basis shall be sent to the applicant and, on request, to any other person. [Eff 6/18/94; comp ] (Auth: HRS §§342J-4, 342J-31, 342J-35) (Imp: 40 C.F.R. §124.7)

§11-271-8 Fact sheet. (a) A fact sheet shall be prepared for every draft permit for a major hazardous waste management facility or activity, and for every draft permit which the director finds is the subject of wide-spread public interest or raises major issues. The fact sheet shall briefly set forth the principal facts and the significant factual, legal, methodological and policy questions considered in preparing the draft permit. The director shall send this fact sheet to the applicant and, on request, to any other person.

(b) The fact sheet shall include, when applicable:

  - (i) The beginning and ending dates of the comment period under section 11-271-10 and the address where comments will be received;
  - (ii) Procedures for requesting a hearing and the nature of that hearing; and
  - (iii) Any other procedures by which the public may participate in the final decision.
- (7) Name and telephone number of a person to contact for additional information. [Eff 6/18/94; comp ] (Auth: HRS §§342J-4, 342J-31, 342J-35) (Imp: 40 C.F.R. §124.8)

§11-271-9 Administrative record for draft permits. (a) The provisions of a draft permit prepared by the department under section 11-271-6 shall be based on the administrative record

§11-271-12 Public hearings.

- (a)(1) The director shall hold a public hearing whenever the director finds, on the basis of requests, a significant degree of public interest in a draft permit(s);
- (2) The director may also hold a public hearing at the director's discretion, whenever, for instance, such a hearing might clarify one or more issues involved in the permit decision;
- (3) (i) The director shall hold a public hearing whenever the director receives written notice of opposition to a draft permit and a written request for a hearing within 45 days of public notice under paragraph 11-271-10(b)(1);  
(ii) Whenever possible the director shall schedule a hearing under this section at a location convenient to the nearest population center to the proposed facility;
- (4) Public notice of the hearing shall be given as specified in section 11-271-10.
- (b) Whenever a public hearing will be held, the director shall designate a presiding officer for the hearing who shall be

responsible for its scheduling and orderly conduct.

(c) Any person may submit oral or written statements and data concerning the draft permit. Reasonable limits may be set upon the time allowed for oral statements, and the submission of statements in writing may be required. The public comment period under section 11-271-10 shall automatically be extended to the close of any public hearing under this section. §11-271-13 Obligation to raise issues and provide information during the public comment period. All persons, including the applicants, who believe any condition of a draft permit is inappropriate or that the director's tentative decision to deny an application, terminate a permit, or prepare a draft permit is inappropriate, must raise all reasonably ascertainable issues and submit all reasonably available arguments supporting their position by the close of the public comment period (including any public hearing) under section 11-271-10. Any supporting materials which are submitted shall be included in full and may not be incorporated by reference, unless they are already part of the administrative record in the same proceeding, or consist of State or federal statutes, regulations, or rules, EPA or State documents of general applicability, or other generally available reference materials. Commenters shall make supporting materials not already included in the administrative record available to the department as directed by the director. (A comment period longer than forty-five days may be necessary to give commenters a reasonable opportunity to comply with the requirements of this section. Additional time shall be granted under section 11-271-10 to the extent that a commenter who requests additional time demonstrates the need for such time.) [Eff 6/18/94; comp ] (Auth: HRS §§342J-4, 342J-31, 342J-35) (Imp: 40 C.F.R. §124.13)

§11-271-14 Reopening of the public comment period.

(a)(1) The director may order the public comment period reopened if the procedures of this subsection could expedite the decisionmaking process. When the public comment period is reopened under this subsection, all persons, including applicants, who believe any condition of a draft permit is inappropriate or that the director's tentative decision to deny an application, terminate a permit, or prepare a draft

permit is inappropriate, must submit all reasonably available factual grounds supporting their position, including all supporting materials, by a date, not less than sixty days after public notice under paragraph (a)(2), set by the director. Thereafter, any person may file a written response to the material filed by any other person, by a date, not less than twenty days after the date set for filing of the material, set by the director.

- (2) Public notice of any comment period under this subsection shall identify the issues to which the requirements of subsection (a) shall apply.
- (3) On his own motion or on the request of any person, the director may direct that the requirements of paragraph (a)(1) shall apply during the initial comment period where it reasonably appears that issuance of the permit will be contested and that applying the requirements of paragraph (a)(1) will substantially expedite the decisionmaking process. The notice of the draft permit shall state whenever this has been done.
- (4) A comment period of longer than sixty days will often be necessary in complicated proceedings to give commenters a reasonable opportunity to comply with the requirements of this section. (b) Notification at application submittal.

(1) The director shall provide public notice as set forth in section 11-271-10(c)(1)(ix), and notice to appropriate units of State and local government as set forth in section 11-271-10(c)(1)(x), that a part B permit application has been submitted to the department and is available for review.

(b) The director may assess the need, on a case-by-case basis, for an information repository. When assessing the need for an information repository, the director shall consider a variety of factors, including: the level of public interest; the type of facility; the presence of an existing repository; and the proximity to the nearest copy of the administrative record. If the director determines, at any time after submittal of a permit

application, that there is a need for a repository, then the director shall notify the facility that it must establish and maintain an information repository. (See section 11-270-30(m) for similar provisions relating to the information repository during the life of a permit).

(c) The information repository shall contain all documents, reports, data, and information deemed necessary by the director to fulfill the purposes for which the repository is established. The director shall have the discretion to limit the contents of the repository.

(f) The facility owner/operator shall be responsible for maintaining and updating the repository with appropriate information throughout a time period specified by the director. The director may close the repository at the director's discretion, based on the factors in subsection (b) of this section. - (2) Specific reference to each term or condition of the permit which the respondent is alleged to have violated, to each alleged inaccuracy or misrepresentation in respondent's permit application, to each fact which the respondent allegedly failed to disclose in his permit application, or to other reasons which form the basis for the complaint;
- (3) A statement of the factual basis for such allegations;
- (4) A request for an order and a statement of the terms and conditions of the requested order;
- (5) Notice of the respondent's right to request a hearing, unless a request for a hearing has been made.

Otherwise the complainant may amend the complaint only upon motion granted by the hearing officer. Respondent shall have twenty additional days from the date of service of the amended complaint to file his answer.

(e) Withdrawal of the complaint. The complainant may withdraw the complaint, or any part thereof, without prejudice one time before the answer has been filed. After one withdrawal before the filing of an answer, or after the filing of an answer, the complainant may withdraw the complaint, or any part thereof, without prejudice, only upon motion granted by the hearing

§11-271-115 Answer to the complaint. (a) General. Where respondent (1) contests any material fact upon which the complaint is based; (2) contends that the order proposed in the complaint is inappropriate; or (3) contends that he is entitled to judgment as a matter of law, he shall file a written answer to the complaint with the hearing officer clerk. Any such answer to the complaint must be filed with the hearing officer clerk within twenty days after service of the complaint.

(b) Contents of the answer. The answer shall clearly and directly admit, deny or explain each of the factual allegations contained in the complaint with regard to which respondent has any knowledge. Where respondent has no knowledge of a particular factual allegation and so states, the allegation is deemed denied. The answer shall also state (1) the circumstances or arguments which are alleged to constitute the grounds of defense, (2) the facts which respondent intends to place at issue, and (3) whether a hearing is requested.

(c) Request for hearing. A hearing upon the issues raised by the complaint and answer shall be held upon request of respondent in the answer, or if a request for a contested case hearing has been made in writing before the filing of the answer.

(d) Failure to admit, deny, or explain. Failure of respondent to admit, deny, or explain any material factual allegation contained in the complaint constitutes an admission of the allegation.

(e) Amendment of the answer. The respondent may amend the answer to the complaint upon motion granted by the hearing officer. [Eff 6/18/94; comp ] (Auth: HRS §342J-4, 342J-31, 342J-35) (Imp: 40 C.F.R. §22.15)

§11-271-116 Motions. (a) General. All motions, except those made orally on the record during a hearing, shall (1) be in writing; (2) state the grounds therefor with particularity; (3) set forth the relief or order sought; and (4) be accompanied by any affidavit, certificate, other evidence, or legal memorandum relied upon. Such motions shall be served as provided by paragraph 11-271-105(b)(2).

(b) Response to motions. Response to motions shall be filed with the hearing officer clerk within thirty days after service of the motion. The hearing officer may set a shorter time for response, or make such other orders concerning the disposition of motions as he deems appropriate. The response shall be accompanied by any affidavit, certificate, other evidence, or legal memorandum relied upon. If no response is filed within the designated period, the parties may be deemed to

have waived any objection to the granting of the motion.

(c) Oral argument on motions will be permitted where the hearing officer considers it necessary or desirable. [Eff 6/18/94; comp ] (Auth: HRS §342J-4, 342J-31, 342J-35) (Imp: 40 C.F.R. §22.16)

§11-271-117 Default order. (a) Default. A party may be found to be in default (1) after motion, upon failure to file a timely answer to the complaint; (2) after motion or sua sponte, upon failure to comply with a prehearing or hearing order of the hearing officer; or (3) after motion or sua sponte, upon failure to appear at a conference or hearing without good cause being shown. No finding of default on the basis of a failure to appear at a hearing shall be made against the respondent unless the complainant presents sufficient evidence to the hearing officer to establish a prima facie case against the respondent. Any motion for a default order shall include a proposed default order and shall be served upon all parties. The alleged defaulting party shall have twenty days from service to reply to the motion. Default by respondent constitutes, for purposes of the pending action only, an admission of all facts alleged in the complaint and a waiver of respondent's right to a hearing on such factual allegations. If the complaint is for the assessment of a civil penalty, the penalty proposed in the complaint shall become due and payable by respondent without further proceedings thirty days after a final order issued upon default. If the complaint is for a department action other than the assessment of a civil penalty, the department action proposed in the complaint shall become effective without further proceedings on the date of service of the default order unless a different effective date is specified by the hearing officer in his final order issued upon default. Default by the complainant shall result in the dismissal of the complaint with prejudice.

(b) Procedures upon default. When the hearing officer finds a default has occurred, he shall issue a default order against the defaulting party. This order shall constitute the final decision, and shall be filed with the hearing officer clerk.

(c) Contents of a default order. A default order shall include findings of fact showing the grounds for the order, conclusions regarding all material issues of law or discretion, the penalty to be assessed, and other terms and conditions, as appropriate.

(d) For good cause shown the hearing officer may set aside a default order. [Eff 6/18/94; comp ] (Auth: HRS §342J-4, 342J-31, 342J-35) (Imp: 40 C.F.R. §22.17)

§11-271-118 Informal settlement; consent agreement and

order. (a) Settlement policy. The department encourages settlement of a proceeding at any time if the settlement is consistent with the provisions and objective of HRS chapter 342J and applicable regulations. The respondent may confer with complainant concerning settlement at any time after receipt of a complaint. Settlement conferences shall not affect the respondent's obligation to file a timely answer under section 11-271-115.

(b) Consent agreement. The parties shall forward a written consent agreement and a proposed consent order to the director whenever settlement or compromise is proposed. The consent agreement shall state that, for the purpose of this proceeding, respondent (1) admits the jurisdictional allegations of the complaint; (2) admits the facts stipulated in the consent agreement or neither admits nor denies specific factual allegations contained in the complaint; and (3) consents to the assessment of a stated civil penalty or to the stated department action, as the case may be. The consent agreement shall include any and all terms of the agreement, and shall be signed by all parties or their duly authorized representatives, and counsel.

(c) Consent order. No settlement or consent agreement shall dispose of any proceeding without a consent order from the director. In preparing such an order, the director may require that the parties to the settlement appear before him to answer inquiries relating to the consent agreement or order. [Eff 6/18/94; comp ] (Auth: HRS §342J-4, 342J-31, 342J-35) (Imp: 40 C.F.R. §22.18)

§11-271-119 Prehearing conference. (a) Purpose of prehearing conference. Unless a conference appears unnecessary, the hearing officer, at any time before the hearing begins, shall direct the parties and their counsel or other representatives to appear at a conference before him to consider:

- (1) The settlement of the case;
- (2) The simplification of issues and stipulation of facts not in dispute;
- (3) The necessity or desirability of amendment to pleadings;
- (4) The exchange of exhibits, documents, prepared testimony, and admissions or stipulations of fact which will avoid unnecessary proof;
- (5) The limitation of the number of expert or other witnesses;
- (6) Settling a time and place for the hearing; and
- (7) Any other matters which may expedite the disposition of the proceeding.

(b) Exchange of witness lists and documents. Unless otherwise ordered by the hearing officer, each party at the prehearing conference shall make available to all other parties

(1) the names of the expert and other witnesses he intends to call, together with a brief narrative summary of their expected testimony, and (2) copies of all documents and exhibits which each party intends to introduce into evidence. Documents and exhibits shall be marked for identification as ordered by the hearing officer. Documents that have not been exchanged and witnesses whose names have not been exchanged shall not be introduced into evidence or allowed to testify without permission of the hearing officer. The hearing officer shall allow the parties reasonable opportunity to review new evidence.

(c) Record of the prehearing conference. No transcript of a prehearing conference relating to settlement shall be made. With respect to other prehearing conferences, no transcript of any prehearing conferences shall be made unless ordered by the hearing officer upon motion of a party or sua sponte. The hearing officer shall prepare and file for the record a written summary of the action taken at the conference. The summary shall incorporate any written stipulations or agreements of the parties and all rulings and appropriate orders containing directions to the parties.

(d) Location of prehearing conference. The prehearing conference shall be held in the county where the respondent resides or conducts the business which the hearing concerns, unless the hearing officer determines that there is good cause to hold it at another location or by telephone.

(e) Unavailability of a prehearing conference. If a prehearing conference is unnecessary or impracticable, the hearing officer, on motion or sua sponte, may direct the parties to correspond with him to accomplish any of the objectives set forth in this section.

(f) Other discovery.

(1) Except as provided by subsection (b) of this section, further discovery, under this section, shall be permitted only upon determination by the hearing officer:

- (i) That such discovery will not in any way unreasonably delay the proceeding;
- (ii) That the information to be obtained is not otherwise obtainable; and
- (iii) That such information has significant probative value.

(2) The hearing officer shall order depositions upon oral questions only upon a showing of good cause and upon a finding that:

- (i) The information sought cannot be obtained by alternative methods; or
- (ii) There is a substantial reason to believe that relevant and probative evidence may otherwise not be preserved for presentation by a witness at the hearing.

- (3) Any party to the proceeding desiring an order of discovery shall make a motion therefor. Such a motion shall set forth:
  - (i) The circumstances warranting the taking of the discovery;
  - (ii) The nature of the information expected to be discovered; and
  - (iii) The proposed time and place where it will be taken.

If the hearing officer determines that the motion should be granted, he shall issue an order for the taking of such discovery together with the conditions and terms thereof.

- (4) When the information sought to be obtained is within the control of one of the parties, failure to comply with an order issued pursuant to this subsection may lead to (i) the inference that the information to be discovered would be adverse to the party from whom the information was sought, or (ii) the issuance of a default order under subsection 11-271-117(a). [Eff 6/18/94; comp ] (Auth: HRS §342J-4, 342J-31, 342J-35) (Imp: 40 C.F.R. §22.19)

§11-271-120 Accelerated decision; decision to dismiss.

(a) General. The hearing officer, upon motion of any party or sua sponte, may at any time render an accelerated decision in favor of the complainant or the respondent as to all or any part of the proceeding, without further hearing or upon such limited additional evidence, such as affidavits, as he may require, if no genuine issue of material fact exists and a party is entitled to judgment as a matter of law, as to all or any part of the proceeding. In addition, the hearing officer, upon motion of the respondent, may at any time dismiss an action without further hearing or upon such limited additional evidence as he requires, on the basis of failure to establish a prima facie case or other grounds which show no right to relief on the part of the complainant.

(b) Effect.

- (1) If an accelerated decision or a decision to dismiss is issued as to all the issues and claims in the proceeding, the decision constitutes a final decision of the hearing officer, and shall be filed with the hearing officer clerk.
- (2) If an accelerated decision or a decision to dismiss is rendered on less than all issues or claims in the proceeding, the hearing officer shall determine what material facts exist without substantial controversy and what material facts remain controverted in good faith. He shall thereupon issue an interlocutory order

specifying the facts which appear substantially uncontroverted, and the issues and claims upon which the hearing will proceed. [Eff 6/18/94; comp ] (Auth: HRS §342J-4, 342J-31, 342J-35) (Imp: 40 C.F.R. §22.20)

§11-271-121 Scheduling the hearing. (a) When an answer is filed, the hearing officer clerk shall forward copies of the complaint, the answer, any other documents filed thus far in the proceeding, and the case file to the hearing officer.

(b) Notice of hearing. If the respondent requests a hearing in his answer, the hearing officer shall serve upon the parties a notice of hearing setting forth a date, time, and place for the hearing. A copy of the complaint shall be attached to, incorporated, and made a part of the notice of hearing. The hearing officer may issue the notice of hearing at any appropriate time, but not later than twenty days prior to the date set for the hearing.

(c) Postponement of hearing. No request for postponement of a hearing shall be granted except upon motion and for good cause shown.

(d) Location of the hearing. The location of the hearing shall be determined in accordance with the method for determining the location of a prehearing conference under subsection 11-271-119(d). [Eff 6/18/94; comp ] (Auth: HRS §342J-4, 342J-31, 342J-35) (Imp: 40 C.F.R. §22.21)

§11-271-122 Evidence. (a) General. The hearing officer shall admit all evidence which is not irrelevant, immaterial, unduly repetitious, or otherwise unreliable or of little probative value, except that evidence relating to settlement which would be excluded in the State courts under Rule 408 of the Hawaii Rules of Evidence, chapter 626, Hawaii Revised Statutes, is not admissible. In the presentation, admission, disposition, and use of evidence, the hearing officer shall preserve the confidentiality of trade secrets and other commercial and financial information. The confidential or trade secret status of any information shall not, however, preclude its being introduced into evidence. The hearing officer may make such orders as may be necessary to consider such evidence in camera, including the preparation of a supplemental initial decision to address questions of law, fact, or discretion which arise out of that portion of the evidence which is confidential or which includes trade secrets.

(b) Examination of witnesses. Witnesses shall be examined orally, under oath, except as otherwise provided in the rules of this subchapter. Parties shall have the right to cross-examine a witness who appears at the hearing provided that such cross-

§11-271-122

examination is not unduly repetitious.

(c) Verified statement. The hearing officer may admit an insert into the record as evidence, in lieu of oral testimony, statements of fact or opinion prepared by a witness. The admissibility of the evidence contained in the statement shall be subject to the same rules as if the testimony were produced under oral examination. Before any such statement is read or admitted into evidence, the witness shall deliver a copy of the statement to the hearing officer, the reporter, if any, and opposing counsel. The witness presenting the statement shall swear to the statement and shall be subject to appropriate oral cross-examination upon the contents thereof.

(d) Admission of affidavits where the witness is unavailable. The hearing officer may admit into evidence affidavits of witnesses who are unavailable. The term "unavailable" shall have the meaning accorded to it by Rule 804(a) of the Hawaii Rules of Evidence, chapter 626, Hawaii Revised Statutes.

(e) Exhibits. Where practicable, an original and one copy of each exhibit shall be filed with the hearing officer for the record and a copy shall be furnished to each party. A true copy of any exhibit may be substituted for the original.

(f) Official notice. Official notice may be taken of any matter judicially noticed in the State courts and of other facts within the specialized knowledge and experience of the department. Opposing parties shall be given adequate opportunity to show that such facts are erroneously noticed. [Eff 6/18/94; comp ] (Auth: HRS §342J-4, 342J-31, 342J-35) (Imp: 40 C.F.R. §22.22)

§11-271-123 Objections and offers of proof. (a) Objection. Any objection concerning the conduct of the hearing may be stated orally or in writing during the hearing. The party raising the objection must supply a short statement of its grounds. The ruling by the hearing officer on any objection and the reasons given for it shall be part of the record. An exception to each objection overruled shall be automatic and is not waived by further participation in the hearing.

(b) Offer of proof. Whenever evidence is excluded from the record, the party offering the evidence may make an offer of proof, which shall be included in the record. The offer of proof for excluded oral testimony, documents, or exhibits shall consist of a brief statement describing the nature of the evidence excluded. §11-271-126 Proposed findings, conclusions, and order. Within thirty days after the conclusion of the hearing, or within such longer time as may be fixed by the hearing officer, any party may submit for the consideration of the hearing officer, proposed findings of fact, conclusions of law, and a proposed order. All submissions shall be in writing, shall be served upon all parties, and shall contain adequate references to the record and authorities relied on. [Eff 6/18/94; comp ] (Auth: HRS §342J-4, 342J-31, 342J-35) (Imp: 40 C.F.R. §22.26)

§11-271-127 Recommendations of the hearing officer and final decision. (a) Filing and contents. The hearing officer shall issue his or her written recommendations to the director as soon as practicable after the period for filing proposed findings of fact, conclusions of law, and proposed order under section 11-271-126 has expired. The hearing officer shall retain a copy of the complaint in the duplicate file. The recommendations shall contain his or her findings of fact, conclusions regarding all material issues of law or discretion, as well as reasons therefor, and, if appropriate, a civil penalty assessment and other terms and conditions. If any party to the proceeding has filed proposed findings of fact, the hearing officer shall incorporate in his or her recommendations a ruling upon each proposed finding so presented.

(b) Amount of civil penalty. If the hearing officer determines that a violation has occurred, the hearing officer shall recommend the dollar amount of the civil penalty to be assessed in the final decision in accordance with any criteria set forth in chapter 342J, HRS relating to the proper amount of a civil penalty, and must consider any civil penalty guidelines of the department. If the hearing officer proposes a penalty different in amount from the penalty recommended to be assessed in the complaint, the hearing officer shall set forth in his or her recommendations the specific reasons for the increase or decrease. The hearing officer shall not raise a penalty from that recommended to be assessed in the complaint if the respondent has defaulted.

(c) Payment of a civil penalty. The respondent shall pay the full amount of the civil penalty assessed in the final decision within thirty days after receipt of the final decision unless otherwise specified in the final decision. Payment shall be made by forwarding to the hearing officer clerk a cashier's check or certified check in the amount of the penalty assessed in the final decision, payable to the "Director of Health, State of Hawaii."

§11-271-127

(d) All terms and conditions of a final decision not related to the payment of a civil penalty shall become effective upon service of the final decision, unless a different effective date is specified in the final decision. §11-271-128 Motion to reopen a hearing. (a) Filing and content. A motion to reopen a hearing to take further evidence must be made no later than twenty days after service of the final decision on the parties and shall (1) state the specific grounds upon which relief is sought, (2) state briefly the nature and purpose of the evidence to be adduced, (3) show that such evidence is not cumulative, and (4) show good cause why such evidence was not adduced at the hearing. The motion shall be made to the hearing officer and filed with the hearing officer clerk.

(b) Disposition of motion to reopen a hearing. Within twenty days following the service of a motion to reopen a hearing, any other party to the proceeding may file with the hearing officer clerk and serve on all other parties an answer thereto. The hearing officer shall announce his intent to grant or deny such motion as soon as practicable thereafter. The conduct of any proceeding which may be required as a result of the granting of any motion allowed in this section shall be governed by the provisions of the applicable sections of the rules of this subchapter. The filing of a motion to reopen a hearing shall automatically stay the running of all time periods specified under the rules in this subchapter until such time as the motion is denied or the reopened hearing is concluded. ## SUBCHAPTER C

### DECLARATORY RULINGS

§11-271-201 Declaratory rulings. (a) Any interested person may petition the department for a declaratory order as to the applicability of any statutory provision or of any rule or order of the department.

(b) The petition shall be prepared on a form furnished by the department.

(c) The petition shall contain the following:

(1) The name, address, and telephone number of the

petitioner;

- (2) A statement of the nature of the petitioner's interest, including reasons for submission of the petition;
- (3) A designation of the specific statute, rule, or order in question;
- (4) A clear and concise statement of the position or contention of the petitioner;
- (5) A memorandum of authorities, containing a full discussion of the reasons, including legal authorities, in support of such position or contention; and
- (6) The signature of each petitioner.

(d) Any petition which does not conform to the foregoing requirements may be rejected.

(e) Any party may intervene subject to the provisions of section 11-271-111.

(f) The department may, for good cause, refuse to issue a declaratory order. Without limiting the generality of the foregoing, the department may so refuse where:

- (1) The question is speculative or purely hypothetical and does not involve existing facts or facts which can reasonably be expected to exist in the near future;
- (2) The petitioner's interest is not of the type which would give the petitioner standing to maintain an action if such petitioner were to seek judicial relief;
- (3) The issuance of the declaratory order may adversely affect the interests of the department or any of its officers or employees in a litigation or administrative matter which is pending or may reasonably be expected to arise; or
- (4) The matter is not within the jurisdiction of the department.

(g) The department shall consider each petition submitted and, within a reasonable time after the submission thereof, either deny the petition in writing, stating its reason for such denial, or issue a declaratory order on the matters contained in the petition.

(h) Hearing.

(1) Although in the usual course of processing a petition for a declaratory ruling no formal hearing shall be granted to the petitioner, the department may, sua sponte, order a contested case hearing on the petition.

(2) Any petitioner who desires a hearing on a petition for declaratory ruling shall set forth in detail in a written request the reasons why the matters alleged in the petition, together with supporting affidavits or other written evidence and briefs or memoranda or legal authorities, will not permit the fair and expeditious disposition of the petition and, to the extent that such request for hearing is dependent upon factual assertion, shall accompany such request by affidavit establishing such facts.

§11-271-201

(i) Any hearing held on a petition for declaratory ruling shall comply with the rules in subchapter B of this chapter except that the petitioner shall be the complainant and the petition filed in compliance with this section shall be treated as the complaint.

(j) An order disposing of a petition shall be applicable only to the factual situation alleged in the petition or set forth in the order. The order shall not be applicable to different factual situations or where additional facts not considered in the order exist. Such order shall have the same force and effect as other orders issued by the department. [Eff 6/18/94; comp ] (Auth: HRS §§342J-4, 342J-31, 342J-35, 91-8) (Imp: None)
