in State government and serves
as a systems advocate for civil
rights of persons with disabilities.*

AMERICANS WITH DISABILITIES ACT (ADA) COORDINATION

219
Request for
Technical
Assistance on
ADA Issues

- Responded to two hundred nineteen (219) technical assistance (TA) calls on ADA issues (excluding design and employment reasonable accommodation requests that are listed in other sections). Provided technical assistance to ensure that the transition to vote by mail included considerations to ensure equal access to persons with disabilities.
- Continued to provide TA to the various County ADA Coordinators on issues related to the ADA.
- Coordinated and conducted training for the Department of Public Safety held October 14-15, 2020. Worked with the U.S. Equal Employment Opportunity Commission to provide ADA training to a Title III entity on making services accessible to deaf customers.
- Submitted comments to the Hawaii Department of Transportation on amending Hawaii Administrative Rules, Title 19, Chapter 122 to allow the Medical Advisory Board to cancel a monthly meeting if the Medical Advisory Board has fewer than ten (10) reports to review.
- Submitted comments to the Hawaii Department of Transportation on Hawaii Administrative Rules, Title 19, Chapter 149 amending the State of Hawaii identification application requirements to allow documents, photographs, and fingerprinting to occur out of office when applying in person is a serious burden for persons with a physical or intellectual disability.

CIVIL RIGHTS & JUSTICE

- Reviewed and submitted comments to the Hawaii Department of Transportation on draft ADA training for Transportation personnel on ADA Introduction, Effective Communication, and Service Animals.
- Provided TA to various State and County agencies regarding the wearing of face coverings during the COVID-19 pandemic and adherence to emergency proclamations.

- Provided comments and guidance to the Department of Health's (DOH) Communication Office on the DOH COVID-19 website to ensure that the content is accessible to persons with disabilities.
- Continued to provide TA to the State Legislature to ensure video programmed hearings, virtual proceedings, and other online content are accessible to persons with disabilities.
- Provided TA to the Hawaii Disability Rights Center on ADA Title II requirements for State government live streaming of hearings, meetings and posting videos online; to an attorney on ADA Title III requirements for a private care home; responded to and provided TA regarding persons with disabilities and the requirements for wearing face coverings in places of public accommodations during the COVID-19 pandemic; and to a legislator and the State Council on Developmental Disabilities on emotional support animals, the ADA and the Fair Housing Amendments Act.
- Submitted comments and recommendations to the Governor on the following: in support of the measure to restore jurisdiction to the Hawaii Civil Rights Commission over disability discrimination complaints against State entities receiving Federal funding, and in support of a measure to allow the County Chiefs of Police to designate County employees to issue traffic citations, including citations for parking illegally in reserved accessible parking spaces and abuse of disability parking permits.
- Interviewed by Civil Beat to provide information on "solo only" beach and hiking activities on whether the City and County of Honolulu Mayor's emergency proclamation discriminated against persons with disabilities who needed assistance in the aforementioned activities.

DCAB is responsible to review plans and specifications for the construction of State and County buildings, facilities and sites to ensure facility access.

Major accomplishments in the area of **FACILITY ACCESS**

Because of issues related to the COVID-19 pandemic, most of the Facility Access Unit (FAU) staff teleworked from March 2020 through June 1, 2021. (The FAU maintained an office presence by rotating staff telework and in-office days.) The FAU continued to perform all applicable plan of action objectives during this time by using the Facility Access Plan Submission and Review System which allowed the FAU to complete all plan review tasks through a web-based database. The FAU was also able to perform its education and training objectives with the use of a virtual online meeting and presentation platform.
