EXECUTIVE SUMMARY

Act 165, H.B. No. 1273 of the 2019 Hawaii Legislative Session established the Hawaii State Department of Health (DOH), Developmental Disabilities Division (DDD) Medicaid Waiver Administrative Claiming Special Fund in order to deposit the moneys received from federal financial participation. The moneys collected would be expended on administration of the waiver and meet federal requirements for community integration, quality, and accountability. Act 165, SLH2019 is now codified in 333F-23, Hawaii Revised Statutes (HRS).

Chapter 333F-23, HRS, mandates the DOH-DDD to annually report the amount of moneys deposited into and expended from the Medicaid Waiver Administrative Claiming Special Fund and the sources of receipts for the expenditures (see Exhibit A). This report is for deposits and expenditures for the DDD Medicaid Waiver Administrative Claiming Special Fund for Fiscal Year 2024.

**REPORT TO THE LEGISLATURE
IN COMPLIANCE WITH
CHAPTER 333F, SECTION 23,
HAWAII REVISED STATUTES**

Introduction

The Hawaii State Department of Health (DOH), Developmental Disabilities Division (DDD) provides a system of supports and services for persons with intellectual and developmental disabilities (I/DD) who have substantial functional limitations in major life activities and are eligible to receive services. The DOH-DDD is the operating agency for the Hawaii Medicaid Home and Community-Based Services (HCBS) for People with Intellectual and Developmental Disabilities Waiver (I/DD Waiver) pursuant to section 1915(c) of the Social Security Act.

Title XIX of the Social Security Act allows states to claim federal financial participation (FFP) at a payment rate of fifty percent (50%) for most administrative expenditures related to the “proper and efficient” administration of its Medicaid state plan, with certain administrative costs matched by the Centers for Medicare and Medicaid Services (CMS) at a higher FFP. Claims for Medicaid administrative FFP must come directly from the single state Medicaid agency, which is the Department of Human Services, Med-QUEST Division (DHS-MQD). The DOH-DDD and DHS-MQD maintain a Memorandum of Agreement for operating the HCBS I/DD Waiver, and DOH-DDD can claim allowable administrative expenses for the proper and necessary costs incurred in operating the I/DD Waiver. Costs are supported by an allocation methodology that appears in the state’s approved Public Assistance Cost Allocation Plan.

ACT 165, 2019 (Chapter 333F-23)

Act 165, H.B. No. 1273 of the 2019 Hawaii Legislative Session established the DOH-DDD Medicaid Waiver Administrative Claiming Special Fund in order to deposit the moneys received from FFP for operating the HCBS I/DD Waiver. According to Chapter 333F-23, the moneys collected from Medicaid administrative claiming are to be expended on the administration of the I/DD Waiver and meet federal requirements for community integration, quality, and accountability. Act 009, SLH 2020 set the spending ceiling for this Special Fund for FY2021 at \$3,200,000. Act 088, SLH2021 set the spending ceiling for this Special Fund for FY 2022 at \$6,400,000.00. Act 248, SLH2022 set the spending ceiling for this Special Funds for FY 2023 at \$6,692,144.
