Statement of Objectives

Improve violent death collection and reporting in the State of Hawaii by collaboration with the Dept. of Health, County Law Enforcement Agencies and the Honolulu Medical Examiners Office to provide a comprehensive dataset with non-identifiable information for all Hawaii suicides, homicides and some undetermined manner of deaths. Information collected and reported can then be analyzed and possibly be used to better understand any violent death trends, especially suicides, that are unique to Hawaii.

Fund Type (MOF): T

Legal Authority: Special Session ACT 2, SECTION 6, SLH 2003; ACT 178, SECTION 22, SLH 2005.

Statement of Objectives

To minimize death, injury, and disability resulting from life-threatening situations by ensuring the availability of high-quality emergency medical care, the State of Hawai'i—through legislative authority granted in Act 2, Special Session Laws of Hawai'i 2003, and Act 178, Session Laws of Hawai'i 2005—established and expanded funding mechanisms to support emergency aeromedical services. These acts enabled the development of a statewide system capable of delivering timely, coordinated emergency medical care and injury prevention services, including air medical transport, including the County of Maui

Statement of Objectives

Improve violent death collection and reporting in the State of Hawaii by collaboration with the Dept. of Health, County Law Enforcement Agencies and the Honolulu Medical Examiners Office to provide a comprehensive dataset with non-identifiable information for all Hawaii suicides, homicides and some undetermined manner of deaths. Information collected and reported can then be analyzed and possibly be used to better understand any violent death trends, especially suicides, that are unique to Hawaii.

Statement of Objectives

Improve violent death collection and reporting in the State of Hawaii by collaboration with the Dept. of Health, County Law Enforcement Agencies and the Honolulu Medical Examiners Office to provide a comprehensive dataset with non-identifiable information for all Hawaii suicides, homicides and some undetermined manner of deaths. Information collected and reported can then be analyzed and possibly be used to better understand any violent death trends, especially suicides, that are unique to Hawaii.

Legal Authority: Special Session ACT 2, SECTION 6, SLH 2003; ACT 178, SECTION 22, SLH 2005.

Statement of Objectives

To minimize death, injury, and disability resulting from life-threatening situations by ensuring the availability of high-quality emergency medical care, the State of Hawai'i—through legislative authority granted in Act 2, Special Session Laws of Hawai'i 2003, and Act 178, Session Laws of Hawai'i 2005—established and expanded funding mechanisms to support emergency aeromedical services. These acts enabled the development of a statewide system capable of delivering timely, coordinated emergency medical care and injury prevention services, including air medical transport, including the County of Maui
