SPEAKERS & TOURS

Public Education Programs

The Honolulu Board of Water Supply (BWS) provides safe, dependable and affordable water now and into the future.

To meet this mission, the BWS offers public education programs to help others understand and learn about Oahu's water resources.

For More Information

- Visit: hbws.me/tours
- Email: workshops@hbws.org

Palolo: BWS Repairing Main Break on 10th Ave by Hinahina St

Board of Water Supply crews are working to repair a 16-inch main break on 10th Avenue by Hinahina Street. The following traffic modifications are in place:

- The makai-bound lane of 10th Avenue between Hinahina Street and Maluhia Street is closed.
- Makai-bound traffic on 10th Avenue is being detoured at Hinahina Street.

Waipahu: Leokane Street Remains Closed by Leoleo Street for Main Break Repairs

Leokane Street will remain closed today by Leoleo Street as Board of Water Supply crews continue their efforts to repair a 12-inch main break. Repairs will be ongoing throughout the day until further notice. Motorists are advised to use alternate routes where possible.

A water wagon has been positioned at 94-079 Leokane Street (David's Fencing) for the seven affected customers. An update will be provided when the situation changes.

NEWS & UPDATES

Red Hill Bulk Fuel Storage Facility

In January 2014, the U.S. Navy reported a 27,000 gallon leak at the Red Hill Bulk Fuel Storage Facility. The Navy owns twenty fuel tanks that can contain up to 12.5 million gallons of fuel. These tanks are located in an aquifer. 100 feet is the height of the State Capitol. This accident provides water to residents from Moanalua to Hawaii Kai.

The BWS regularly posts updates online about the Red Hill Bulk Fuel Storage Facility and has made available a searchable online repository of several hundred documents pertaining to leaks at the facility, including inspection reports, groundwater monitoring reports.

RED HILL DOCUMENTS

Searchable Red Hill Database

The Board of Water Supply (BWS) has made available a [searchable online repository](#) of several hundred documents pertaining to leaks at the facility, including inspection reports, groundwater monitoring reports, and the Administrative Order on Consent (AOC). The AOC was signed by the U.S. Navy, the Defense Logistics Agency, the U.S. Environmental Protection Agency (EPA), and the State of Hawaii Department of Health (DOH) in September 2015. The BWS participates in this effort as a subject matter expert.
