

**2019 - 5<sup>th</sup> Joint Government Water Conference**  
**“Getting the Word Out About Hawaii’s Water Quality”**  
**King Kamehameha Golf Club, Wailuku, Maui**  
**Thursday, August 29, 2019 ~ 7:30 am - 3:45 pm**

Water Quality and Wastewater Professional(s):

The Department of Health (DOH) Environmental Health Administration (EHA) offices/branches invite you to register for the 5<sup>th</sup> Joint Government Water Conference. The Conference is intended to provide water industry personnel, government agencies, and other water-related organizations with an update of outreach and education activities being conducted in the State of Hawaii by the various DOH EHA offices/branches and other water related agencies. These presentations will identify activities and how various agencies promote outreach and education to the public and stakeholders on issues and concerns regarding our water quality. This conference will also allow participants to keep abreast of the activities of the water-related government agencies, meet our staff and other water system personnel, ask questions and provide us with feedback, and learn what is in store for the water quality and wastewater industry in the coming years. We look forward to your attendance at our 5th Joint Government Water Conference.

**Note: You must pre-register for this conference. Registration is limited and will not be accepted on the date of the conference.** Priority will be given to people working professionally in water quality (groundwater, drinking water & wastewater) and government environmental protection personnel. A meal will be served as an integral part of the Conference.

Register On-line at: <http://events.egov.com/eventreg/HI/event.htm?name=5thjointgovernmentwaterconferencemaui>
