STATE REVOLVING FUND (SRF) LOAN PROGRAM
EXEMPT PROJECT DETERMINATION
FOR
HONOLULU BWS PRO-FI SFY 2022
HBWS-PF22
BOARD OF WATER SUPPLY
COUNTY OF HONOLULU**

DOCKET NO. 22-SDWB-SRF-04

The Hawaii Department of Health (DOH) has conducted a review of the proposed project for the Department of Water Supply, County of Oahu, in accordance with Hawaii's State Environmental Review Process, Chapter 343 of the Hawaii Revised Statutes, Section 11-200-8 of the Hawaii Administrative Rules, and 40 CFR §35.3140 for CWSRF projects, or 40 CFR §35.3580 for DWSRF projects.

Project Description:

Water system improvements on the Island of Oahu.

Sub-projects:

- *Anoi Road Water System Improvements;*
- *Diamond Head Line Booster;*
- *Halawa Wells and Halawa Booster No. 2 Pump Replacement;*
- *Kalihi Pump Station Renovation;*
- *Keanu Line Booster: Replace Pumping Units;*
- *Lunalilo Home Road Water System Improvements;*
- *Mililani Wells II Improvements PRV Assembly;*
- *Pearl City Wells I*
- *Pump Renewal and Replacement Kaluanui Line Booster, Diamond Head Line Booster, Kaonohi Booster I, Waihee Line Booster, Punaluu Wells II; and*
- *Punaluu Wells II Renovation.*

DOH has determined that the project is eligible for Exemption under Section 11-200-8(a), HAR, and because the sub-projects fall under one or more the following list items, as reviewed and concurred upon by the Environmental Council on July 23, 2009:

Exemption Class 1: Operations, repairs or maintenance of existing structures, facilities, equipment, or topographical features, involving negligible or no expansion or change of use beyond that previously existing.

Exempt Item Number(s) with Description:

1. Painting of structure exterior or interior.
2. Repair of Damages to structure exterior or interior caused by termites, dry rot, spalling, cracking, delaminating, etc.
9. Parking lot resurfacing and striping.
10. Reroofing.

- 11. Storm drain cleaning.
- 16. Repair and maintenance of pipeline tunnels.
- 17. Repair and maintenance of access roads and pathways.
- 19. Repair and maintenance of water mains, meters, fire hydrants, fire standpipes, valves, manholes, stream gages, and monitor wells.
- 20. Repair and maintenance of water treatment equipment and facilities.
- 21. Repair and maintenance of water well and booster pumps, pressure preacher tanks, surface and ground water intakes, remote control valves, chlorination equipment, and appurtenances.
- 22. Repair and maintenance of electrical equipment.
- 25. Repair and maintenance of chain link fencing and gate.
- 26. Repair of curbs and sidewalks.
- 27. Repair and maintenance of reservoirs and pump buildings.
- 34. Repair of drainage structures and storm drain lines.
- 37. Repair and maintenance of electrical equipment.
- 43. Temporary and permanent road patching for repair and maintenance of water facilities.

Exemption Class 2: Replacement or reconstruction of existing structures and facilities where the new structure will be located generally on the same site and will have substantially the same purpose, capacity, density, height, and dimensions as the structure replaced.

Exempt Item Number(s) with Description:

- 1. Replacement or reconstruction:
 - d. Drainage structures.
 - e. Driveways.
 - l. Booster pumps.
 - p. Chlorination and water treatment.
- 2. Replacement of:
 - a. Equipment, including electrical and water treatment.
 - b. Doors.
 - f. Water well and booster pumps and appurtenances.
 - i. Chain link fencing and gates.
 - j. Telemetered circuits and communication systems.
- 3. Replacement of waterlines and appurtenances including concrete jackets within existing rights-of-way where no change in purpose is intended. Replacement may be size for size or may involve and increase in pipe diameter if existing waterline is inadequate to meet current Water system Standards and current zoning requirements.

Exemption Class 3: Construction and location of single, new small facilities or structures and the alteration and modification of same and installation of new small equipment and facilities and the alteration and modification of same including but not limited to: (a) single family residences less than 3,500 square feet, if not in conjunction with the building of two (2) or more such units; (b) multi-unit structures design for not more than four (4) dwelling units, if not in conjunction, with the building of two (2) or more such structures; (c) stores, offices and restaurants designed for total occupant load of twenty (20) persons or less, if not in conjunction with the building of two (2) or more such structures; (d) water, sewage, electrical, gas,

telephone, and other essential public utility services extension to serve such structures or facilities; and (e) accessory or appurtenance structures including garages, carports, patios, swimming pools, and fences; and acquisition of utility easements.

Exempt Item Number(s) with Description:

1. Construction and alteration of:
 - e. Sidewalks and covered walkways.
2. Installation and modification of:
 - g. Motor Control centers and chlorinator buildings.
3. Extension of existing waterlines to complete grid within existing rights-of-way easements.
14. Alterations to water well pumping equipment including installation of control valves, chlorination systems or alterations of pumps.

Exemption Class 4: Minor alterations in the condition of land, water or vegetation.

Exempt Item Number(s) with Description:

2. Tree trimming and removal of trimmings, grubbing and mowing of lawn area, planting of trees, other plants and sods, and pruning of trees and shrubs.
5. Landscaping and installation of irrigation systems.

Exemption Class 7: Interior alterations involving such things as partitions, plumbing and electrical conveyances.

Exempt Item Number(s) with Description:

2. Plumbing installation, relocation or removal.
3. Electrical installation, relocation or removal.
4. Door installation, relocation or removal.
5. Window installation, relocation or removal.

Exemption Class 8: Demolition of structures, except those structures located on any historic site as designated in the HAR Chapter 11-200, National Register or Hawaii Register as provided for in the National Historic Preservation Act of 1966, Public Law 89-665, 16 U.S.C., Section 470, as amended, or Chapter 6E, Hawaii Revised Statutes.

Exempt Item Number(s) with Description:

3. Demolition of reservoirs and other abandoned water system appurtenances.

Exemption Class 9: Zoning variances except shoreline setback variances

Exempt Item Number(s) with Description:

1. Demolition of reservoirs and other abandoned water system appurtenances.

Accordingly, the project is exempt from further substantive environmental review requirements

under the above stated authorities. Accordingly, the project is exempt from further substantive environmental review requirements under the above stated authorities.

The documentation to support this decision will be on file and available for public review upon request (via 808-586-4258 or DOH.SDWB@doh.hawaii.gov) Monday through Friday (excluding holidays) from 7:45 a.m. until 4:15 p.m. (HST) at the DOH, Environmental Management Division, at 2385 Waimano Home Road, Suite 110, Uluakupu Bldg. 4, Pearl City, Hawaii 96782. The supporting documentation may also be mailed at no cost upon request.

Please notify anyone you know who would be interested in this matter.

This notice is hereby given on this 1st day of June 2022, by authorization of Elizabeth A. Char, M.D., Director of Health.

EXEMPT PROJECT DETERMINATION
FOR
HELANI WATERLINE REPLACEMENT (AKA "HELANI LINE REPLACEMENT")
P-DW201-0002
HANA WATER SYSTEMS, LLC (HWA)
COUNTY OF MAUI**

DOCKET NO. 22-SDWB-SRF-02

The Hawaii Department of Health (DOH) has conducted a review of the proposed project for the HWA, in accordance with Hawaii's State Environmental Review Process, Chapter 343 of the Hawaii Revised Statutes, Section 11-200-8 of the Hawaii Administrative Rules, and 40 CFR §35.3140 for CWSRF projects, or 40 CFR §35.3580 for DWSRF projects.

Project Description:

Replace 6" steel line to reduce system water losses and reduce costs from constant repair.

DOH has determined that the project is eligible for Exemption under Section 11-200-8(a), HAR, class 2, replacement or reconstruction of existing structures and facilities where the new structure will be located generally on the same site and will have substantially the same purpose, capacity, density height, and dimensions as the structure replaced.

Accordingly, the project is exempt from further substantive environmental review requirements under the above stated authorities.

The documentation to support this decision will be on file at the DOH, Environmental Management Division, in Pearl City, Hawaii, and is available for public review upon request.

This notice is hereby given on this 26th day of August 2021, by authorization of Bruce S. Anderson, Ph.D., Director of Health.
