CERTIFIED MAIL, RETURN RECEIPT REQUESTED

Arthur Ushijima
President
The Queen's Medical Center
1301 Punchbowl Street
Honolulu, HI 96813

Dear Mr. Ushijima:

The State Health Planning and Development Agency has evaluated The Queen's Medical Center's Certificate of Need application #11-09A for the acquisition of Acculmaging Pearlridge, LLC, at no capital cost.

Pursuant to Title 11, Chapter 186 of the Hawaii Administrative Rules (HAR), the Agency has determined that:

- (a) The proposal is eligible for administrative review as it meets the criteria in HAR 11-186-99.1(b)(6), i.e.: "Any proposal which is determined by the agency not to have a significant impact on the health care system." and HAR 11-186-99.1(b)(4), i.e.: "Any change of ownership, where the change is from one entity to another substantially related entity."
- (b) The applicant, The Queen's Medical Center, has proven by a preponderance of the evidence that its proposal meets the Certificate of Need criteria in HAR 11-186-15.
- (c) There is no compelling public interest which will be served by requiring the application to go through the standard review process.

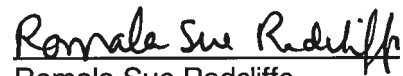

As required under Section 323D-43(b), Hawai'i Revised Statutes (HRS), the Agency finds that:

1. There is a public need for this proposal.
2. The cost of this proposal will not be unreasonable in light of the benefits it will provide and its impact on health care costs.

Accordingly, the State Health Planning and Development Agency hereby APPROVES and ISSUES a Certificate of Need to The Queen's Medical Center for the proposal described in Certificate of Need application #11-09A. There is no capital expenditure authorized under this approval.
