## CERTIFIED MAIL, RETURN RECEIPT REQUESTED

Arthur Ushijima  
President  
The Queen's Medical Center  
1301 Punchbowl Street  
Honolulu, HI 96813

Dear Mr. Ushijima:

The State Health Planning and Development Agency has evaluated The Queen's Medical Center's Certificate of Need application #13-06A for the acquisition of a cardiology private practice to be located at 98-1247 Ka'ahumanu Street, Suite 208, Aiea, Hawaii, at a capital cost of \$809,500.

Pursuant to Title 11, Chapter 186 of the Hawaii Administrative Rules (HAR), the Agency has determined that:

- (a) The proposal is eligible for administrative review as it meets one or more of the criteria in Subsection 11-186-99.1(b), HAR.
- (b) The applicant, The Queen's Medical Center, has proven by a preponderance of the evidence that its proposal meets the Certificate of Need criteria in HAR 11-186-15.
- (c) There is no compelling public interest which will be served by requiring the application to go through the standard review process.

As required under Section 323D-43(b), Hawai'i Revised Statutes (HRS), the Agency finds that:

1. There is a public need for this proposal.
2. The cost of this proposal will not be unreasonable in light of the benefits it will provide and its impact on health care costs.

Accordingly, the State Health Planning and Development Agency hereby APPROVES and ISSUES a Certificate of Need to The Queen's Medical Center for the proposal described in Certificate of Need application #13-06A. The maximum capital expenditure allowed under this approval is \$809,500.

#13-06A, Administrative Review Decision  
May 29, 2013  
Page 2

Please be advised that pursuant to Section 323D-47, HRS, any person may, for good cause shown, request in writing a public hearing for reconsideration of the Agency's decision within ten working days from the date of this decision. Accordingly, if no person makes such a timely request for reconsideration, this decision shall become final immediately after the deadline for making such a request has expired.
