Aloha:

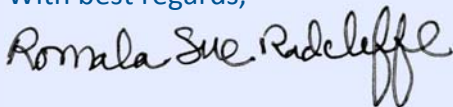

Thank you for your interest in the State Health Planning and Development Agency (SHPDA).

The SHPDA staff and the members of the Statewide Health Coordinating Councils and the six Sub Area Health Councils are grateful for the health care providers who completed the utilization survey.

Thanks to Sam Valeriano for his data collection efforts and Dr. Ann Pobutsky's careful review of the draft report. Our collaborator, Dr. Sarah Yuan and her team at the University of Hawaii's Center of the Family, compiled the survey data and produced the annual report.

This annual SHPDA report may be useful for prospective SHPDA certificate of need applicants, healthcare market analysts, economists, and students who are researching Hawaii's health care trends, costs, and utilization rates.

With best regards,

Romala Sue Radcliffe
