Research and Statistics

As of August 31, 2020, the response rate for SHPDA's annual health care utilization survey for calendar year 2019 was at 82.5%. Third round of overdue notification was sent to health care facilities/providers that/who had not submitted their survey by the deadline of May 31, 2020. Some health care facilities/providers requested further extension for submission, citing the impact of COVID-19.
