ADMINISTRATOR'S REPORT July 2022

Subarea Health Planning Councils (SACs) Activities

- Kauai** The Kauai Subarea Health Planning Council met on June 20, 2022. The discussion on potential projects continued and projects being implemented by other SACs were shared. A new vice chair was elected, and outgoing officers were acknowledged. Members were encouraged to attend the Ethics training offered by the State Ethics Commission. The next meeting will be on August 18, 2022.
- Honolulu** The Honolulu Subarea Health Planning Council met on June 9, 2022. Members from other SACs attended this meeting and shared their SAC's current priorities by geographical area. Due to time constraints, the discussion on SAC priorities will continue at the next HONSAC meeting. Outgoing officers were acknowledged. The next meeting will be on July 14, 2022.
- West Oahu
and
Windward
Oahu** The West Oahu Subarea Health Planning Council and the Windward Oahu Subarea Health Planning Council met on June 15, 2022. Bonnie Castonguay, Co-Founder and CEO, Ho'okele Home Care provided a presentation on the "Vivia Cares Model" and services provided by Ho'okele Home Care. The discussion on projects continued and the outgoing officer was acknowledged. The next meeting will be on September 21, 2022.
- Tri-Isle** The Tri-Isle Subarea Health Planning Council did not meet in June 2022. The next meeting is scheduled for August 12, 2022.

Subarea Health Planning Councils (SACs) Activities (con't)

Hawaii The Hawaii County Subarea Health Planning Council (HCSAC) met on June 13, 2022. Tasks related to the Accessing Health Care Services on Hawaii Island project were discussed and assigned. Due to the availability of Summer Student Help and timelines associated with the project, the next HCSAC meeting was scheduled for June 23, 2022.

The HCSAC met on June 23, 2022. The Introductory Letter for the Accessing Health Care Services on Hawaii Island project was reviewed and accepted. The project lead for the HCSAC was identified. The next meeting will be on July 26, 2022.

Research and Statistics

As of June 30, 2022, the response rate for SHPDA's annual health care utilization survey for calendar year 2021 was at 88.7%. Overdue notifications were sent to health care facilities/providers that/who had not submitted their survey by the deadline of May 31, 2022.
