CERTIFIED MAIL, RETURN RECEIPT REQUESTED

Darlana Chadwick
President
The Queen's Medical Center-West Oahu
91-2141 Fort Weaver Road
Ewa Beach, HI 96706

Dear Ms. Chadwick:

The State Health Planning and Development Agency has evaluated The Queen's Medical Center's Certificate of Need application #22-09A for the expansion of Computed Tomography (CT) services and the establishment of radiation therapy services at 91-2141 Fort Weaver Road, Ewa Beach, HI, at a capital cost of \$11,905,660.

Pursuant to Title 11, Chapter 186 of the Hawaii Administrative Rules (HAR), the Agency finds that:

- (a) The proposal is eligible for administrative review as it meets the criterion in HAR 11-186-99.1(b) (5), i.e.: "An additional location of an existing service or facility."
- (b) The applicant, The Queen's Medical Center, has proven by a preponderance of the evidence that its proposal meets the Certificate of Need criteria in HAR 11-186-15(a).
- (c) There is no compelling public interest which will be served by requiring the application to go through the standard review process.

As required under Section 323D-43(b), Hawai'i Revised Statutes (HRS), the Agency concludes and determines that:

1. There is a public need for this proposal.
2. The cost of this proposal will not be unreasonable in light of the benefits it will provide and its impact on health care costs.

#22-09A, Administrative Review Decision
August 15, 2022
Page 2

Accordingly, the State Health Planning and Development Agency hereby APPROVES and ISSUES a Certificate of Need to The Queen's Medical Center for the proposal described in Certificate of Need application #22-09A. The maximum capital expenditure allowed under this approval is \$11,905,660.

Darryl D. Shutter
Acting Administrator
