Skilled Nursing (SNF)	40	35	5	The following two reasons for not staffed or set up all licensed beds were the same for the SNF, ICF, and SNF/ICF beds: "1. Availability/shortage of nurse aides in the community. Because of the extreme shortage, we were not able to utilize all of our licensed beds. Residents were admitted as our staffing would safely allow." "2. Pandemic. COVID-19 caused a lot of families with residents in the long term care facilities to reconsider their situation. Many opted to provide care at home, thus reducing the number beds utilized and requirement for staff."
