

Directions to Solid & Hazardous Waste Branch (SHWB): 2827 Waimano Home Road, Pearl City

We're at the very top of Waimano Home Road—past the Pearl City Cultural Center.

There is a security gate immediately past the Cultural Center. Stop for the guard and he/she may ask to see your ID.

After going through the gate, drive all the way up (0.8 miles) to the SHWB building.

When you reach the top (circle with a flag pole) take a left. The SHWB building is the one story building on the left.

Parking is unreserved. You may park in any open stall in the lot directly in front of SHWB or the larger lot behind the three story building.
