GENERAL INFORMATION FOR APPLICANTS
CERTIFIED SUBSTANCE ABUSE PROGRAM ADMINISTRATOR

1. The credential of Certified Substance Abuse Program Administrator (CSAPA) fulfills two purposes. First, and most important, the public has a means by which to identify individuals who have met the minimum requirements as set forth in Hawaii Administrative Rules 11-177.1. Second, individuals are recognized for the time, education, and experience they have accumulated in the administration of substance abuse programs. Certification is meant to recognize an administrator’s accomplishments and competence in administering substance abuse treatment programs, and not as an entry-level credential.

2. The following information must be received by the Alcohol and Drug Abuse Division (ADAD) in order to process the application for Certified Substance Abuse Program Administrator:
   a. A completed application for certification.
   b. A resume that shows at least three years full-time employment as a substance abuse program administrator to include the name and address of the program(s).
   c. An official job description(s) that coincides with the three years of full-time employment shown on the resume. The job description(s) must include, at a minimum, responsibility for organizational planning and development, program management, human resources management, and financial management.
   d. A letter of reference from the Chief Executive Officer (CEO) or Chairman of the Board for the program in which the applicant is/was most recently employed as a program administrator.
   e. A signed Code of Ethics.
   f. An application fee of $25.00 must be paid by money order or certified check only. Personal checks will not be accepted. Money order should be payable to “State Director of Finance.”

3. All signatures must be originals. FAXed applications will not be accepted.
