

## ATR Ohana Transportation – Multi-passenger Vehicle Written Competency

- TRUE FALSE 1. Transportation – Multi-passenger Van providers are required to hold valid State of Hawaii driver’s licenses, to meet specified levels of motor vehicle liability insurance, and to keep vehicles in safe working conditions.
- TRUE FALSE 2. Transportation – Multi-passenger Van service providers are required to retain receipts for gasoline purchases made for the vehicles used to transport ATR Ohana clients in order to justify claims for payment for Transportation - Multi-passenger Van services delivered to ATR Ohana clients.
- TRUE FALSE 3. The cost of Taxi Cab services are covered under the Exhibit: Transportation - Multi-passenger Van, which means that ATR Ohana will reimburse ATR Ohana providers for the cost of a client’s cab fare to appointments at their agency, as long as the cab fare receipt is included in the client’s file.
- TRUE FALSE 4. Documentation in the agency’s file regarding claims for payment for Transportation - Multi-passenger Van shall include the start and end mileage, the total number of miles traveled, the starting and ending locations, the purpose for the transport, and the signature of the client on a document at the agency, such as a log sheet, verifying that the client was physically present for the transport described.
- TRUE FALSE 5. The Transportation - Multi-passenger Van service purpose is to improve the client’s ability to be on schedule for important appointments and to attend recovery related activities.
- TRUE FALSE 6. Transportation - Multi-passenger Van services may be claimed for payment when the provider agency uses the service to drive the client around for a period of time to allow an angry or upset client to calm down and regain composure.
- TRUE FALSE 7. Transportation – Multi-passenger Van providers shall create a recovery plan for the service that lists at least one (1) activity or appointment obligation that the client shall honor as a result of receiving the Transportation - Multi-passenger Van service.
- TRUE FALSE 8. Transportation – Multi-passenger Van providers may make claims for payment for other services that are being provided to the client at the same time that the transport is happening, meaning that the provider may make claims for payment for **both** services that occurred during the same period of time.
