

County:

Hawaii County
Honolulu County
Kauai County
Maui County
Statewide

Outcome Indicator:

30-day alcohol use
30-day binge drinking
30-day cigarettes or electronic vapor products use
30-day cigarette use
30-day electronic vapor products use
30-day marijuana use
30-day other tobacco products use
ATOD use
Capacity of Prevention System
Early initiation of alcohol use

Substances:

Alcohol
Barbiturates
Benzodiazepines
Cocaine/Crack
Heroin
Inhalants
Marijuana/Hashish/THC
Methamphetamine
Non-Prescription Methadone
None
Not Collected
Other
Other Amphetamines
Other Hallucinogens
Other Non-Barbiturates Sedatives or /Hypnotics
Other Non-BenzodiazepineTranquilzers
Other Opiates and Synthetics
Other Stimulants
Over-the-Counter
PCP
Prescription Drugs
Tobacco
Unknown

Target Population:

Prevention System

Young adults ages 18-24

Youth ages 9-17

Risk Factor:

Academic failure beginning in elementary school
Availability of substances
Community norms and laws favorable towards substance use
Constitutional factors
Early and persistent antisocial behavior
Early initiation of substance use
Family conflict
Family history of substance use
Family management problems
Favorable parental attitudes and involvement in substance use
Favorable youth attitudes toward substance use
Friends who engage in substance use
Inappropriate negative sanctions
Lack of commitment to school
Low neighborhood attachment and community disorganization
Low/Lack of enforcement of laws to prevent substance use and abuse
Poverty (extreme economic deprivation)
Price and promotion of alcohol
Retail availability
Social availability
Transition and mobility
Other (TBD)

Protective Factor:

Caring school climate
Connected to family
Connected to school
Early intervention services
Engagement in meaningful activities
Higher parent education
High grade-point average
High parental school expectations
Life skills and social competencies
Local and state policies
Positive connection to other adults
Positive parenting style
Positive peer role models
Positive personal qualities
Positive self-concept
Religious or spiritual beliefs
Strong community infrastructure
Student participation in extracurricular activities
Two-parent families
Other (TBD)

Contributing Factor:

Adults allow underage drinking parties to occur at home, hotels, and community centers

Children are asked to mix drinks and serve alcohol to their parents and their friends

Other (TBD)

Parents allow their kids to drink during rites of passage

Significant consequences associated with alcohol consumption (rapes, DUIs)

State conditions exist that lead to a high rate of excessive alcohol use

There is a high rate of DUI in Hawai'i

Youth obtain alcohol by someone giving it to them

Youth steal alcohol from retail stores

Socio-ecological Category	Definition
Individual	Individual Level: Factors specific to the individual, such as age, education, income, health, and psychosocial problems, which may correspond with substance use.
Community	Community Level: The settings in which social relationships occur, such as schools, workplaces, and neighborhoods. These factors can have both negative and positive association with substance use.
Relationship	Relationship Level: An individual's closest social circle—family members, peers, teachers, and other close relationships—that contribute to their range of experience and may influence their behavior.
Societal	Societal Level: Broad societal factors, such as social and cultural norms. Other significant factors operating at this level include the health, economic, educational, and social policies that contribute to economic and/or social inequalities between populations.

Service Population:

At risk for suicide
Bartenders/wait staff
Business and Industry
Civic Groups/Coalitions
College Students
Community leaders
Elementary School Students
General Population
Government/Elected Officials
Health Professionals
High School Students
Law Enforcement
LGBTQ+
Middle/Junior High School Students
Military
Not Applicable
Older Adults
Other
Parents/Families
Prevention/Treatment Professionals
Recently arrived immigrant population
Religious Groups
Teachers/Administrators/Counselors
Underserved racial and ethnic minorities
Youth/Minors

Evidence Based Type:

Evidence based: Inclusion in a Federal List or Registry of evidence-based interventions.

Evidence based: Documented effective by other sources of information and the consensus judgement of the ADAD and the Evidence-Based Workgroup or other informed experts.

Evidence based: Reported in a peer-reviewed journal with positive effects on the primary target outcome.

Programs and policies that are working towards evidence-based criteria.

None.

CSAP Activity	CSAP Category
ATOD free social/recreational activities	Alternatives
Community service activities	Alternatives
Mentoring programs	Alternatives
Other alternative activities	Alternatives
Youth/adult leadership activities	Alternatives
Assessing community needs and capacity	Community-Based Process
Community and volunteer training, e.g., neighborhood action training, staff/officials training	Community-Based Process
Multi-agency coordination and collaboration/coalition	Community-Based Process
Systematic/strategic planning	Community-Based Process
Education programs for adult groups	Education
Education programs for youth groups	Education
Ongoing classroom and/or small group sessions	Education
Parenting and family management	Education
Peer leader/helper programs	Education
Drink-driving countermeasures	Environmental
Modifying the drinking environment	Environmental
Product pricing strategies/taxing strategies	Environmental
Regulating physical availability	Environmental
Restrictions on marketing	Environmental
Health fairs and other health promotion, e.g., conferences, meetings, seminars	Information Dissemination
Media campaigns	Information Dissemination

Crosswalk: Use this table to identify which Strategy Name (Code Table #8), CSAP Category (Code Table #12), and CSAP Activity (Code Table #12) your services fall under.

SERVICES	STRATEGY NAME	CSAP CATEGORY	CSAP ACTIVITY	DEFINITIONS
Assessment				
One-on-one interviews	Assessment	Community-Based Process	Assessing community needs and capacity	Interviews for the purpose of collecting qualitative data.
Focus groups/listening sessions	Assessment	Community-Based Process	Assessing community needs and capacity	Group sessions for the purpose of collecting qualitative data.
Survey	N/A		N/A	Per unduplicated survey created.
Administer Survey	Assessment	Community-Based Process	Assessing community needs and capacity	Administration of a survey.
Community Needs Assessment	N/A		N/A	Submission of Community Needs Assessment component of the Strategic Plan.
Capacity				
Training - Attended	Capacity	Community-Based Process	Community and volunteer training, e.g., neighborhood action training, staff/officials training	Education or instruction of knowledge, skills, and competencies with the goal of building a person’s capacity and performance. This includes the development of, delivery, and participation in training for paid staff. Training is considered a structured event that is intended to develop proficiency as it relates to prevention, ATOD, and/or the program/policy.
Training - Facilitated	Capacity	Community-Based Process	Community and volunteer training, e.g., neighborhood action training, staff/officials training	
Meetings - Attended	Capacity	Community-Based Process	Multi-agency coordination and collaboration/coalition	Meetings with representatives from other agencies/ organizations to collaborate and/or increase support for the program/policy.
Meetings - Facilitated	Capacity	Community-Based Process	Multi-agency coordination and collaboration/coalition	
Community Fairs	Capacity	Information Dissemination	Health fairs and other health promotion, e.g., conferences, meetings, seminars	Having a booth or exhibit at a fair or event that displays or disseminates information and that has a focus on an ATOD prevention message & information on the program/policy.
Prevention - focused web sites	Capacity	Information Dissemination	Prevention - focused web sites	Sharing prevention and/or program/policy related information via websites. Examples: Updating websites with new information.
Prevention - focused email blasts	Capacity	Information Dissemination	Prevention -focused email blasts	Sharing prevention and/or program/policy related information via email. Examples: Newsletters, listserv.
Media, Radio and TV public service announcements	Capacity	Information Dissemination	Radio and TV public service announcements	A media message, campaign, etc. provided through public airways that are designed to inform and educate audiences concerning a specific topic. Per unduplicated product shared.
Social Media	Capacity	Information Dissemination	Social Media	Sharing prevention and/or program/policy related information via social media. Examples: Instagram, Facebook, Twitter, Snapchat, Tik Tok, etc. Per unduplicated post per social media platform.
Speaking engagements/ Presentations	Capacity	Information Dissemination	Speaking engagements/ Presentations	Activities intended to impart information about specific issues to general or targeted audiences. Examples: Speeches, one-time presentations, assemblies, news conferences.

SERVICES	STRATEGY NAME	CSAP CATEGORY	CSAP ACTIVITY	DEFINITIONS
Certified Prevention Specialist Application	N/A	N/A	N/A	Submission of Application.
Certified Prevention Specialist Certification	N/A	N/A	N/A	Unduplicated certification earned per individual.
Certified Prevention Specialist Renewal	N/A	N/A	N/A	Submission of Renewal Application.
Semi-Annual Coalition Membership List	N/A	N/A	N/A	Compilation of current membership list.
Planning				
Logic Model	N/A	N/A	N/A	Submission of Logic Model component of the Strategic Plan.
Strategic Plan	N/A	N/A	N/A	Submission of completed Strategic Plan.
Updated Strategic Plan	N/A	N/A	N/A	Submission of updated Strategic Plan. Plans must be updated annually.
Implementation				
Substance-free social/recreational activities	Impl - U/S/I (as applicable) Alt Activities	Alternative Activities	ATOD free social/recreational activities	Social and recreational activities for individuals that specifically exclude the use of alcohol, tobacco, and other drugs (ATOD) as they relate to the program/policy. Examples: Outdoor activities and programs (such as Outward Bound), sports, games, program events, school dances, community events/parties, Family/Ohana Nights, etc.
Community service activities	Impl - U/S/I (as applicable) Alt Activities	Alternative Activities	Community service activities	Activities in which youth and/or adults provide a variety of community services as they relate to the program/policy. Examples: Community or neighborhood clean-up, repairing/painting homes, support to the elderly or persons with disabilities, Meals on Wheels, developing a community park.
Mentoring programs	Impl - U/S/I (as applicable) Alt Activities	Alternative Activities	Mentoring programs	Activities that provide youth with structured time with a mentor as they relate to the program/policy. Examples: Homework help/assistance, afterschool programs, one-to-one mentoring activities.
Youth/adult leadership activities	Impl - U/S/I (as applicable) Alt Activities	Alternative Activities	Youth/adult leadership activities	Services through which youth and adults serve as role models who work with youth as they relate to the program/policy. Examples: Tutoring programs, coaching activities, Big Brothers, Big Sisters.
Education programs for adult groups (18 years old and over)	Impl - U/S/I (as applicable) Education	Education	Education programs for adult groups	Structured substance abuse prevention lessons, seminars, or workshops directed to adult groups. Examples: Curriculum for college-aged groups.
Education programs for youth groups (17 years old and under)	Impl - U/S/I (as applicable) Education	Education	Education programs for youth groups	Structured substance abuse prevention lessons, seminars, or workshops directed to youth in after school/community settings. Examples: Youth groups such as the Boys & Girls Club, Boy/Girl Scouts, etc.
Ongoing classroom and/or small group sessions	Impl - U/S/I (as applicable) Education	Education	Ongoing classroom and/or small group sessions	Lessons, seminars or workshops that are presented as a recognized curriculum or course of study in a classroom setting. Examples: Life Skills Training, Project ALERT, etc.
Parenting and family management	Impl - U/S/I (as applicable) Education	Education	Parenting and family management	Structured classes and programs intended to assist parents and families in skills development. Examples: Parent/family management classes, Strengthening Families Program, Family Effectiveness Training.

SERVICES	STRATEGY NAME	CSAP CATEGORY	CSAP ACTIVITY	DEFINITIONS
Peer leader/helper programs	Impl - U/S/I (as applicable) Education	Education	Peer leader/helper programs	A structured recurring activity that use peers (people of the same rank, ability, or standing) to provide guidance, support and other activities for youth or adults. Examples: Peer resistance development/peer/cross-age tutoring, teen leadership institutes, peer support activities.
Problem Identification and Referral	Impl - ID & Referral	Problem Identification and Referral	Prevention assessment and referral	This strategy aims to classify those who have indulged in illegal use of ATOD and to assess whether their behavior can be reversed through education. NOTE: This strategy does not include any activity designed to determine if an individual is in need of treatment.
Problem Statement	Impl - Env Strategies	Community-Based Process	Multi-agency coordination and collaboration/coalition; Systematic/strategic planning	Completion of Problem Statement, which is also known as a Policy Action Statement.
Issue Brief	Impl - Env Strategies	Community-Based Process	Multi-agency coordination and collaboration/coalition; Systematic/strategic planning	Document that states the details of the policy.
Draft of Policy Language	Impl - Env Strategies	Community-Based Process	Multi-agency coordination and collaboration/coalition; Systematic/strategic planning	Document that states the importance and impact of the policy.
Media Plan	Impl - Env Strategies	Community-Based Process	Multi-agency coordination and collaboration/coalition; Systematic/strategic planning	Media Plan to mobilize support of the policy to the general public.
Introduction of Policy	Impl - Env Strategies	Community-Based Process	Multi-agency coordination and collaboration/coalition	Introduction of Policy to decision-makers.
Passage of Policy (changing local codes, ordinances, regulations, and laws)	Impl - Env Strategies	Environmental	Restrictions on marketing; Modifying the drinking environment; Regulating physical availability; Drink-driving countermeasures	Policy is passed/accepted.
Evaluation				
Annual Evaluator Agreement	N/A		N/A	Submission of signed Agreement.
Progress Evaluation Report	N/A		N/A	Submission of Report.
Final Evaluation Report	N/A		N/A	Submission of Report.
Sustainability				
Sustainability Plan	N/A		N/A	Submission of Plan and subsequent Plans.
Reports				
Monthly Management Information System Data Entry	N/A		N/A	Completion of monthly data entries.
Quarterly Report	N/A		N/A	Submission of Reports.
Year-End Report	N/A		N/A	Submission of Report.

Implementation Strategy: One-time vs. Recurring Strategy

(A) PFS-funded activities

Description		Strategy Frequency	
		One-time (activities planned for different participants/audiences)	Recurring ^b (activities planned for the same participants/audience)
Meeting	Attended	✓ <ul style="list-style-type: none"> A community strategic planning meeting 	✓ <ul style="list-style-type: none"> County prevention network quarterly meetings Monthly workgroup/coalition meetings
	Facilitated	✓ <ul style="list-style-type: none"> An annual meeting with community stakeholders 	✓ <ul style="list-style-type: none"> Monthly coalition meetings Quarterly prevention network meetings
Training	Attended	✓ <ul style="list-style-type: none"> A workshop A multi-day conference (report each day as a new one-time strategy)^a Note: Enter the appropriate training topic(s) in the comment box based on the Code Table Guidance Doc. #2.	NA
	Facilitated	✓ <ul style="list-style-type: none"> A workshop A workshop series (report each day as a new one-time strategy)^a Note: Enter the appropriate training topic(s) in the comment box based on the Code Table Guidance Doc. #2.	NA

Notes:

^a. Multi-day training (attended/facilitated) is an exception to the general rule for reporting one-time activities.

^b. For recurring strategies, report each meeting via the activities list; update the impacted target population summary count, as needed, to reflect the total unduplicated individuals who participated in any of the events.

Implementation Strategy: One-time vs. Recurring Strategy

(B) Block Grant- and General-funded activities

Description		Strategy Frequency	
		One-time (activities planned for different participants/audiences)	Recurring ^a (activities planned for the same participants/audience)
Meeting	Attended	NA	✓ Report all meetings attended as a recurring strategy. <ul style="list-style-type: none"> Monthly coalition meetings School staff meetings
	Facilitated	✓ <ul style="list-style-type: none"> Meetings with different agencies/organizations 	✓ <ul style="list-style-type: none"> Multiple meetings with the same agencies/organizations
Training	Attended	NA	✓ Report all training events attended as a recurring strategy. <ul style="list-style-type: none"> A workshop A multi-day conference (report each day as a new activity via the activities list)
	Facilitated	✓ <ul style="list-style-type: none"> A workshop 	✓ <ul style="list-style-type: none"> A workshop series (report each day as a new activity via the activities list)
Other Capacity Activities		✓ <ul style="list-style-type: none"> Media, Radio, and TV public service announcements (PSA) Note: For an individual PSA, or multiple PSAs that target different audiences.	✓ <ul style="list-style-type: none"> Prevention-focused websites Prevention-focused email blasts Social Media Media, Radio, and TV PSA Note: For a series of PSAs that target the same audience.

Note:

^a. For recurring strategies, report each activity under the activities list; update the impacted target population summary count, as needed, to reflect the total unduplicated individuals. For example, if the number of social media followers increases in a month by 20 people, increase the impacted target population summary by 20.
