**Announcement: INSPIRE PLUS Mid-Sprint Deployment Completed**

To our Providers, Partners, Supervisors and Staff,

A Mid-Sprint Deployment to Production was completed on January 15, 2026. The Production environment is now back online and accessible.

**Update**

- 1 Resolved Bug where blank Service Rates were mapped to Progress Notes and Planned Service Records. This prevented Providers from unvalidating Progress Notes and who got an error message.

Sincerely,

John Valera, AICP  
Administrator
