

Hosted by the Hawaii Department of Agriculture, Department of Health,  
Department of Land and Natural Resources, and the County of Maui

# Bovine Tuberculosis Community Meeting

WEDNESDAY | 5:00 PM

**May 25, 2022**

MITCHELL PAUOLE CENTER

Speakers will address plans to prevent the spread of Bovine Tuberculosis. Information will be provided, followed by a Q&A session.

Public Health Nurses will be on-site to offer Tuberculosis Skin Testing to those at risk or to schedule a future appointment.

Anyone who requests testing will be accommodated and tested.

If you are interested in getting a TB skin test at the Molokai Public Health Nursing clinic, please call **808-553-7880**.

Information on Bovine Tuberculosis in animals can be found at <https://hdoa.hawaii.gov/>

More information on Bovine Tuberculosis in humans can be found at <https://health.hawaii.gov/tb/>

*This meeting will be in person. All COVID-19 precautionary measures are strongly encouraged, including mask wearing, hand washing, and sanitizing.*  
**Please do not attend if you are feeling sick.**
