**Article 21. Additional Areas of Significant Prostitution-related Activity**

Sections:
- 40-21.1 City-designated areas of significant prostitution-related activity.
- 40-21.2 Additional to Waikiki area.
- 40-21.3 No intent to supersede HRS Section 712-1207.
- 40-21.4 Intent regarding "public property."

**Sec. 40-21.1 City-designated areas of significant prostitution-related activity.**
(a) Pursuant to the authority conferred by HRS Section 712-1207 and the recommendation of the chief of police, the following areas are designated zones of significant prostitution-related activity detrimental to the health, safety, or welfare of the general public:

1. The Ala Moana/Kapiolani/Convention Center/Keeaumoku/lower Makiki/McCully/Moiliili area shown in Exhibit A attached to this article and made a part hereof;
2. The Downtown/Chinatown area shown in Exhibit B attached to this article and made a part hereof; and
3. The Wahiawa area shown in Exhibit C attached to this article and made a part hereof.

Where the boundary lines of the designated areas shown on the exhibits follow streets or highways, the designated areas shall include the entire width of the streets or highways, including the sidewalk or shoulder areas. (a) The council finds that HRS Section 712-1207 prohibits a person, while on public property within Waikiki or a designated area, from offering or agreeing to engage in sexual conduct with another person in return for a fee. Under HRS Section 712-1207, "public property" includes any street, highway, road, sidewalk, alley, lane, bridge, parking lot, park, or other property owned or under the jurisdiction of any governmental entity or otherwise open to the public.
(b) The council finds that, as defined, "public property" includes privately owned real property used for commercial purposes if open to any broad class of the public. Thus, the council finds that the term includes a liquor-serving, massage, or adult entertainment establishment open to adult members of the public.
(c) The council further finds that the heading of HRS Section 712-1207, which reads in part "street solicitation of prostitution," should not be construed as limiting the plain language of the section to solicitation on a public street.
(d) The council intends that the chief of police, prosecuting attorney, and any other authorized law enforcement officer enforce HRS Section 712-1207 consistent with the findings of this section. (Added by Ord. 00-67)
