

Public notice (to be published in the Honolulu Star-Advertiser 5/29/19)

The Hawaii Department of Health (DOH) is soliciting public comment on a draft permit for an underground storage tank (UST) system operated by Naval Supply Systems Command Fleet Logistics Center Pearl Harbor at Red Hill-Aiea and Joint Base Pearl Harbor-Hickam, Hawaii. The UST system to be permitted includes field-constructed fuel storage and surge tanks at the Red Hill Bulk Fuel Storage Facility, product recovery tanks associated with Hickam airfield piping, airfield piping and hydrants, and other associated piping. The permit would allow the Navy to operate the UST system in accordance with chapter 342L, Hawaii Revised Statutes, and chapter 11-280.1, Hawaii Administrative Rules.

The permit application and draft permit are available at [health.hawaii.gov/shwb/ust-red-hill-project-main](http://health.hawaii.gov/shwb/ust-red-hill-project-main) and:

Solid and Hazardous Waste Branch  
2827 Waimano Home Rd #100  
Pearl City, HI 96782  
Monday to Friday 7:45 am - 4:30 pm

All comments must be sent to [DOHrhcomments@HawaiiOIMT.onmicrosoft.com](mailto:DOHrhcomments@HawaiiOIMT.onmicrosoft.com) or delivered to the address above by June 28, 2019. For more information or to obtain copies, call 808-586-4226.

DOH will address all comments received and make a final decision after all comments have been considered. Notice of the final decision will be sent to each person who provides comments or requests notice of the decision.
