

# ***Joint Task Force-Red Hill*** ***FTAC***

**6 JUNE 2023**

## Mission / End State

**Mission:** Joint Task Force-Red Hill (JTF-RH) ensures the **safe and expeditious defueling of the Red Hill Bulk Fuel Storage Facility (RHBFSF)** through coordination with State and Federal stakeholders in order to set conditions for closure while **continuing to rebuild trust with the State of Hawai‘i and the local community of O‘ahu.**

**End State:** Red Hill Bulk Fuel Storage Facility is safely defueled and **conditions are set for closure**, while continuing to rebuild DoD trust with the State of Hawai‘i and the community.

Defueling... must be deliberate and methodical; “not one drop”  
To rebuild trust... one action at a time with consistent and transparent communications

# JTF-RH Integrated Master Schedule (IMS) EXSUM

JTF-RH is working to achieve a CONDITIONS BASED defueling start of Oct 2023

3: Initial Prep for Defueling  
4: Final Prep for Defueling  
5: Defuel and Relocate Fuel
